

Your accounts payable process *just got easier.*

Turn your AP process into a strategic advantage. Automate tasks and approvals, reduce errors, and gain real-time visibility and control over your financials. Contact your accountant to unlock special discounts.

Why Melio:

Keep it simple

Melio is easy to use, with little to no need for training or heavy implementation.

Stay in control

Set up advanced approval workflows, review and approve payments at any time, from any device.

Maximize cash flow

Choose between innovative payment methods, including card, instant transfers, and pay over time.

Only pay for what you need

Melio offers flexible plans to accommodate various bill volumes and business sizes.

Pay by card

Your vendor receives payment on time and you hold onto cash longer.¹

ACH bank transfers

Pay digitally without sharing your personal bank details.

Fast payments

Avoid late payments without affecting your cash flow.

Instant transfers

Vendors receive funds within minutes¹ and you never miss a business opportunity.

Pay over time

Apply for up to 12 monthly installments.²

Global payments

Pay in USD and vendors get paid in their local currency.²

Plans that are just right.
