

Fun in the Sun

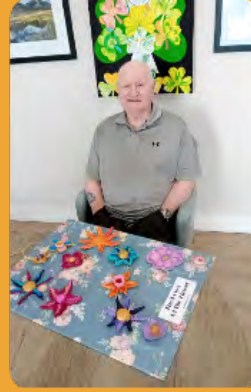

We made the most of the beautiful sunshine last week with an outdoor performance by the ever-popular Anto the Singer — and what a treat it was. Residents relaxed in the warm weather while enjoying classic tunes, a sing-along or two, and plenty of laughter. Music and fresh air truly are the perfect combination for lifting spirits.

Moving & Grooving

Our residents got up and active this week with a fun and energising exercise session led by Gerry, our brilliant Activities Coordinator. From gentle stretches to upbeat seated movements, Gerry always brings great energy, music, and plenty of smiles to every session. Keeping active is so important — not just for the body, but for the mind and spirit too!

Both birthday girls had a truly lovely time – and especially loved their birthday cakes.
