

Sunshine & Smiles

Our wonderful residents made the most of the beautiful sunshine with a relaxing afternoon in the garden — and what better way to cool off than with some delicious ice cream!!

Spreading the Love

On Friday, May 9th, we had the absolute pleasure of celebrating our lovely resident Marie's birthday. The birthday girl was showered with love, laughter, and lots of visitors — the cards kept coming, and so did the smiles. To make the day even sweeter, our wonderful Chef Kenneth whipped up a delicious raspberry jelly & cream cake that was a big hit with everyone.

Spirals of Creativity

Our residents got stuck into a fun and colourful art & crafts workshop with Tracey — creating beautiful spiral designs using wool! The textures, colours, and patterns made for a relaxing and engaging activity, and everyone enjoyed seeing their creations come to life. Well done to all the artists for your amazing work!!

Words of Wisdom

Golden Words from our Terenure Nursing Home Residents who have lived full, vibrant lives—and they have some beautiful “Words of Wisdom” to share. Straight from the heart, these golden nuggets are timeless reminders of what truly matters in life.

A Special Visit for a Special Request

Our wonderful resident, Rose, had a heartfelt wish — to visit Palmerstown Cemetery and tidy up her loved one’s grave ahead of Cemetery Sunday on June 22nd. With the sun shining and skies clear, Rose and our Activities Coordinator, Grace, took the opportunity to head out together. Armed with a flask of tea and some sweet buns, they spent time tending to the grave, sharing stories, and simply being present in a space that means so much to Rose.

Ann's Birthday Celebrations

Our wonderful Resident, Ann, celebrated her birthday in style. The day was full of surprises and fun for Ann, who started the day off with an ABBA sing along and in the afternoon our guest entertainer, Brian Swords, was here to entertain all and to sing 'Happy Birthday' to Ann. There was birthday cake, flowers, and Ann was inundated with cards and gifts from her family.

Back in our Garden

After a whole winter of building works, we were delighted that our garden at Terenure Nursing Home was officially accessible again — and just in time for the sunshine! We marked the occasion with a lovely afternoon of tea and biscuits in the garden, soaking up the fresh air and enjoying each other's company.

Creative Moments

Some of our lovely ladies helped christen our beautiful new sitting room in style — by creating stunning handmade cards featuring iconic images of Dublin. Well done to all!!

Phyllis's Birthday Celebrations

Our wonderful resident Phyllis celebrated her birthday surrounded by family, friends, and lots of love. She was truly spoiled with beautiful flowers, thoughtful gifts, and heartfelt cards. To top it all off, our talented chef Kenneth treated Phyllis to a delicious cake.

Arts Day

Our talented ladies spent a lovely afternoon painting beautiful Blue Irises – each piece unique and full of heart. These stunning artworks are now proudly displayed throughout our home for everyone to enjoy.

Resident Artists

Our talented residents let their creativity shine as they painted beautiful lighthouses — symbols of hope, guidance, and strength. Each piece was filled with colour and character, just like the artists behind them!

Pamper Day

There is nothing as nice as a Pamper Day - and that is what our ladies enjoyed - Hair & Beauty by Sharon & Angela, and a lovely massage with aromatherapy and angel cards from Susan.

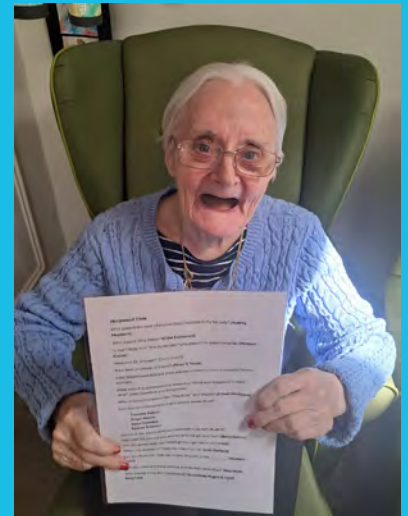

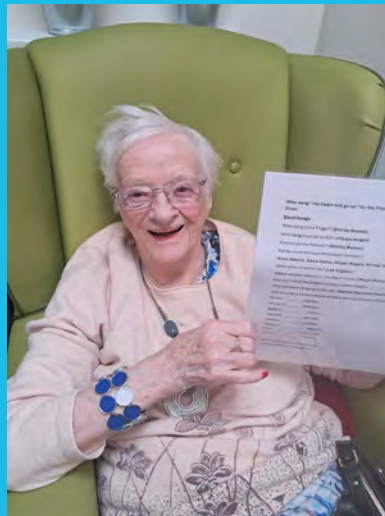

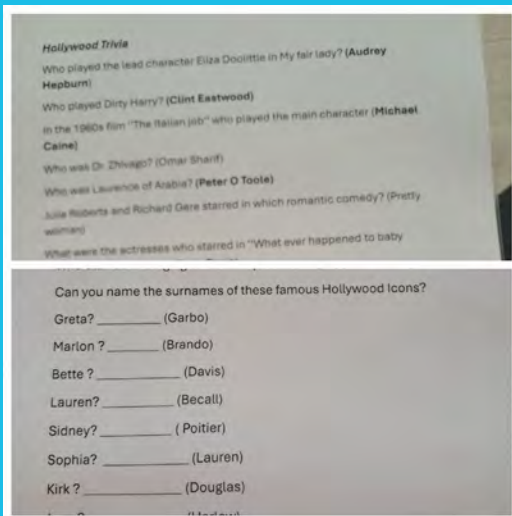

Flower Power

Our creative residents have been busy painting beautiful "flowers in the round", and the results are beautiful. Each unique piece was lovingly hand-painted and mounted to create these gorgeous cards.

Hollywood Quiz Morning

Our wonderful Activities Coordinator, Grace, brought some golden-era glamour to our day with a brilliant Hollywood-themed brain game this morning. It was all about testing our knowledge of the classic golden era of Hollywood — fun and nostalgia rolled into one!
