

Creativity in Bloom

One of the many wonderful activities enjoyed by our residents is Arts & Crafts, and recently we had a very special session with our guest artist, Tracey. Our Residents spent time colouring beautiful cherry blossom designs, each one unique and full of personality and creativity.

The finished artwork has now been proudly displayed around our home — bringing colour and a lovely sense of achievement for all to enjoy every day.

Bingo Fun

Bingo is always a favourite activity with our Residents, and the competitive spirit is even higher when sweet prizes are to be won. This year's Easter Bingo was full of laughter, excitement, and lots of cheers as everyone tried their luck. Our Activities Coordinator, Dan, was the Bingo Number Caller and did a great job as always.

Grandma's Pants Courtyard Games

Our residents had an absolute blast with our new fun game's activity, featuring oversized yellow trousers (think clown-style) and a ball challenge. The aim? Get the ball into the trousers – and laughter was guaranteed every time!!

International Nurses Day

We were delighted to celebrate International Nurses Day to recognise the incredible dedication, compassion, and hard work of our nursing team. As a small token of appreciation, our nurses received some well-deserved treats to thank them for the care, kindness, and support they show to our residents each and every day. Our Residents also created beautiful handmade cards for our Nurses - a beautiful token of their appreciation.

Culinary Delights at Nephin Nursing Home

Recently, we hosted a Tasting Day, giving our residents the chance to enjoy a variety of delicious dishes prepared by our Head Chef Jose Kandathil, assisted by our very own Chef Eldho and kitchen staff Rinse and Tamphi. It was a wonderful culinary experience, and our residents had a fantastic time sampling the different flavours.

Culinary Excellence at **Grace Healthcare**

On Thursday 12th March, Executive Chef Jose brought together the talented chefs from all 10 Grace Healthcare Ireland homes for an inspiring Culinary Day at Blenders Development Kitchen in Tallaght. The day kicked off with a tour of Blenders' production unit — seeing how their sauces and condiments are made. Chef Paul Bloxham, Culinary Director at Aventura International, shared insights on culinary trends, sustainability, and menu planning. Chef Ronan Fox gave creative ideas on reducing food waste. Chef Jose highlighted the philosophy behind Grace Healthcare's catering approach. A huge thank you to all our chefs for their dedication and passion — you make a real difference in our residents' lives!

We had a lovely celebration over the Bank Holiday weekend as we marked William's 71st birthday. It was a wonderful occasion filled with smiles, laughter, and great company.

Phil's Birthday Celebrations

Our lovely resident Phil celebrated her 91st birthday recently and was delighted to share her cake with family and friends.

Green Fingers

We enjoyed a relaxing indoor gardening session led by some of our “green-fingered” residents. Together, we revived an ornamental hanging plant that needed a little care. The plant was carefully trimmed and divided into cuttings, which were then replanted into several pots. Thanks to our residents’ knowledge and expertise, one plant will now grow into many—bringing plenty of new greenery to enjoy in the weeks ahead.
