

A special visit from Orla

Orla the therapy dog always brings warmth and smiles to us when she comes to visit. Orla and her owner Marita spent time with our residents, spreading plenty of love and comfort. Visits like these show the positive impact of pet therapy, offering comfort, companionship, and joy to residents in a relaxed and supportive environment.

Keeping Cool

With the lovely hot weather recently, it has been important to ensure our Residents stay cool, comfortable, and refreshed while enjoying the sunshine. One of our favourite ways to keep everyone cool was with some delicious sweet treats, including ice cream cones and strawberries & cream.

Rock & Roll Bingo Fun

Our residents had a blast at Rock & Roll Bingo recently. Grace, our Activities Coordinator, played 20-second clips of popular songs, and everyone searched their cards to see if they had them. The excitement was real, and of course there was plenty of sweet treats for the winners.

Al Fresco Dining

Our residents made the most of the beautiful Bank Holiday weekend by enjoying lunch al fresco in the garden and soaking up some much-needed Vitamin D. There was plenty of laughter, conversation, and fresh air as everyone relaxed outdoors and enjoyed the wonderful summer weather.

International Nurses Day

On International Nurses Day, we celebrated the compassion, dedication, and kindness that nurses bring to the lives of others every single day. We are incredibly proud of our wonderful nursing team who care for our residents with professionalism, warmth, and respect.

Live Music with Mickey

Monday's live music session with our regular favourite, Mickey and his guitar, brought plenty of smiles, singing and great memories to everyone. Music always creates such a special atmosphere around the home and is loved by so many of our Residents.

Pamper Day

Our Residents enjoyed a wonderful pamper day here at Terenure Nursing Home. Ann and Eilish were first to enjoy some well-deserved relaxation, receiving soothing hand massages and aromatherapy thanks to Forever Therapies. Our amazing volunteers and staff spent the afternoon painting nails and making sure everyone felt extra special.

Resident Artists

Creativity was flowing at our recent Art Activity session here at with guest artist Tracey, guiding our creative Residents in their work. Everyone enjoyed a relaxing and colourful morning of painting while listening to the rain outside.

Activities like art not only encourage creativity and self-expression, but also bring joy, relaxation, and plenty of smiles to our Residents each day. And the finished artwork is hung in our home for all to admire and enjoy.

A wonderful **St. Patrick's Day**

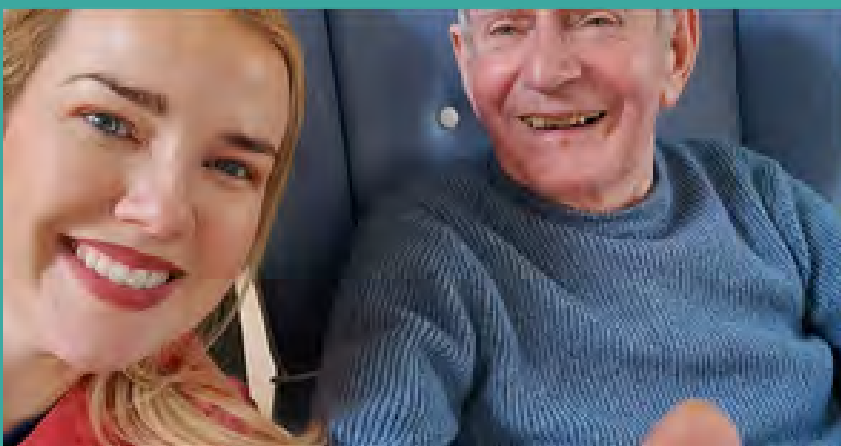

Our residents enjoyed all the excitement of the Dublin parade from the comfort of home, watching it together on TV before the celebrations continued with a lively “hoolie” full of fun, laughter, and great company.

Creative Talents

Our art session back in March brought a touch of spring indoors, with a stunning final creation of daffodils. It's always lovely to see everyone expressing themselves and enjoying these creative moments together.

Alan's Birthday Celebrations

Our wonderful resident Alan celebrated his special day in style. The celebrations were made even more special with music by Brian Swords. Everyone had a fantastic time and Alan enjoyed his birthday surrounded by family, friends, and all of us here at Terenure Nursing Home.

Culinary Excellence at Grace Healthcare

On Thursday 12th March, Executive Chef Jose brought together the talented chefs from all 10 Grace Healthcare Ireland homes for an inspiring Culinary Day at Blenders Development Kitchen in Tallaght. The day kicked off with a tour of Blenders' production unit — seeing how their sauces and condiments are made. Chef Paul Bloxham, Culinary Director at Avendra International, shared insights on culinary trends, sustainability, and menu planning. Chef Ronan Fox gave creative ideas on reducing food waste. Chef Jose highlighted the philosophy behind Grace Healthcare's catering approach.

A huge thank you to all our chefs for their dedication and passion — you make a real difference in our residents' lives!
