

The Joy of Music

Our residents enjoyed a fantastic virtual singalong thanks to 'Nursing Homes Ireland'. Joining other Nursing Homes via Zoom, everyone sang along to some well-loved songs from years gone by, with plenty of smiles as happy memories came flooding back.

A Visit from Millie

We were delighted to welcome Alison and the wonderful Millie for their weekly visit. Millie has become a firm favourite with our residents, and there are always plenty of smiles and cuddles when she arrives!

Keeping Active

Every Wednesday, our physiotherapist leads a wonderful exercise class for our residents—and it is always a very enjoyable session! The classes incorporate gentle movements and exercises designed to help maintain strength, mobility, balance and overall physical health.

Embracing Autumn

Our residents had great fun putting up the autumn leaves and decorating our coffee bar, bringing some beautiful seasonal colour into the home. It was a wonderful morning filled with creativity, conversation and plenty of smiles.
