

A special Mass

Our residents and staff gathered together to celebrate Mass here in Nephin Nursing Home. Our altar looked especially beautiful, decorated with the colourful flower arrangements lovingly created by our residents.

Creating for Nature

Our residents enjoyed a wonderfully creative session with our guest artist, Tracey, making bird feeders using ice cream sticks, glue and string. There was plenty of fun and laughter as everyone created something special for our feathered friends.

Green Fingers

Our residents enjoyed a lovely gardening session, repotting ornamental plants and planting some beautiful flowering plants. There's nothing quite like a little time spent gardening — and judging by the photos, everyone was happy to get stuck in!!

A Visit from Luna

We had another visit from Luna, the much-loved Therapy Dog who comes to see our residents every week. Luna's visits are always eagerly anticipated by Residents, bringing comfort, companionship, and plenty of tail-wagging happiness.

A very special 97th birthday

We were delighted to celebrate our lovely resident Marita 97th birthday here at Nephin Nursing Home. With a beautiful birthday cake, colourful flowers and a candle ready for a wish, Marita was at the heart of the celebrations.

Celebrating Niall's 73rd birthday

We had a wonderful celebration as our resident Niall marked his 73rd birthday. Niall's family joined us for the special occasion, which was filled with colourful flowers, a delicious birthday cake and, of course, a lively rendition of "Happy Birthday" from everyone.

Afternoon Tea

We had a very special Residents' Afternoon Tea with family members and friends, held as part of our celebration of World Alzheimer's Month 2026. There were plenty of smiles, laughter, conversations and, most importantly, time spent together.

Flower Power Friday

As part of Nursing Homes Week 2026, our residents enjoyed a wonderful flower-arranging activity on Friday, 21st August. Flower Power Friday was all about supporting residents to celebrate their 'Life in Bloom' working together to create beautiful floral decorations to brighten their home.

Nephin in Bloom – Nursing Homes Week 2026

Our residents enjoyed a lovely morning of gardening, preparing the soil, transplanting plants and planting cuttings and beautifully scented herbs. We used a variety of containers, including flower boxes, plastic pots and recycled pots – giving them a wonderful new purpose.

Ice Cream Party Fun

We had a delightful and delicious time at our Ice Cream Party back in July. The cart looked fantastic and was the perfect addition to a lovely day filled with smiles, laughter, and of course... plenty of yummy ice cream!

Summer BBQ Fun

On August 5th, we enjoyed a wonderful Summer BBQ Party filled with food, music, laughter and special memories. We were delighted to welcome our residents' families and guests who joined us for a fantastic day of summer fun. Despite a mix of sunshine, rain and a little breeze, we enjoyed our very own "outside inside" BBQ celebration!!
