Pet **Therapy**

Pet therapy brings so much comfort, connection and happiness to our residents.
We were delighted to welcome our very special visitors, Lalyia and Charlie, who brought plenty of cuddles, smiles and joy to everyone they met.

Tracey's **Arts & Crafts**

Our Nursing Homes Week celebrations continued with a lovely nature-inspired arts and crafts activity at Oakwood Lodge. Our residents enjoyed making birdseed holders for our feathered friends, while celebrating the beautiful natural surroundings we are so fortunate to have. With wonderful views of the greenery in both our front and back gardens, nature is always right on our doorstep.

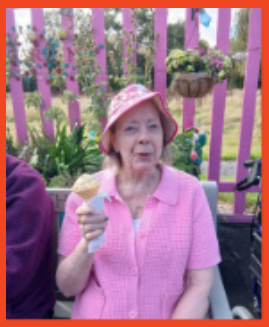

Audrey's Birthday **Celebrations**

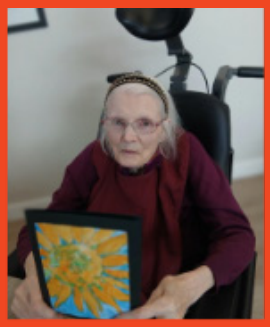

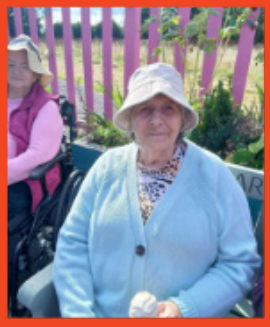

We had the pleasure of celebrating with our lovely Resident, Audrey, on her birthday. Audrey enjoyed a very special day surrounded by her brother, fellow Residents and our wonderful Staff, making it a celebration filled with smiles, cake, singing happy birthday and lots of happy memories.

Summer **Postcards**

There was plenty of creativity and sunshine at Oakwood Lodge Nursing Home as our wonderful Activity Coordinator, Gerry, helped our residents get creative with some lovely arts and crafts, painting their very own colourful summer postcards.

An Outing to **Keelings**

Our Residents went on a wonderful trip to Keelings, making the most of the fresh air, exploring the surroundings and, of course, watching the planes coming and going.

A little retail **therapy**

A sincere thank you to Debbie and Katie from "Funky Affordable Fashion" for bringing their wonderful Pop-Up Boutique back to Oakwood Lodge Nursing Home.
Our residents and staff had a fantastic time, with our ladies enjoying the simple pleasure of shopping again — browsing through beautiful clothes and accessories, choosing their favourites and, of course, enjoying plenty of chats along the way.

Connected with Nature – **Nursing Homes Week 2026**

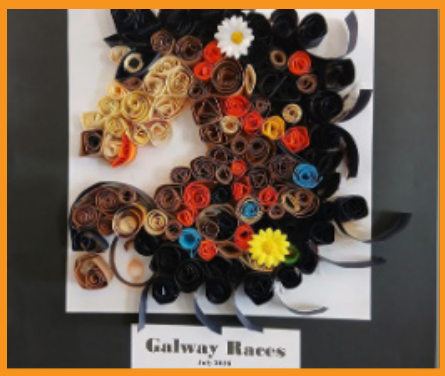

To mark the beginning of Nursing Homes Week, our Residents and staff came together to create a wonderful nature-inspired display spelling out “JOY OF NATURE.” Using flowers, leaves, grasses, pine cones and other treasures gathered from the garden and fields surrounding our home, they created something truly beautiful.

Creativity in **Full Gallop**

Our talented Residents recently enjoyed another wonderful Arts & Crafts session with our guest artist, Tracey, where the theme was "Horses at the Galway Races." Inspired by one of Ireland's most famous racing festivals, our Residents created some truly beautiful and colourful artwork reflecting their own creativity, imagination and artistic flair.

Vera's 95th **Birthday**

We were delighted to celebrate a very special milestone as our wonderful resident, Vera , marked her 95th birthday. It was a truly memorable occasion, made even more special by the presence of Vera's family, who joined her to celebrate the birthday. There were smiles, laughter, birthday wishes and, of course, a delicious birthday cake to mark the occasion.
