

# WHY VOTING IS IMPORTANT

1

## A VOICE IN THE MAKING

Your vote gives you a say in the future of your community and country.

2

## INFLUENCES LAWS AND POLICIES

Choose leaders who shape laws and policies that affect everyday life.

3

## HOLD LEADERS ACCOUNTABLE

Voting lets you support effective leadership or demand change.

4

## REFLECT THE WILL OF THE PEOPLE

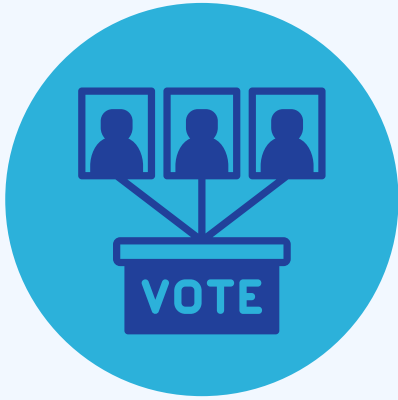

Every ballot helps build a government that represents its citizens.

**VOTING IS A RIGHT, A RESPONSIBILITY, AND A PRIVILEGE.**

By participating in elections, you help create a more inclusive society.

Through voting, you have the power to shape policies and laws that govern the community where you live.

Elected officials rely on the votes and voices of their constituents.

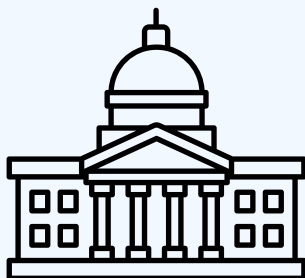

## WHAT DO WE VOTE FOR?

The November General Election is the peak of the democratic process, where voters across the nation cast their ballots to elect political representatives for various offices, including the president, members of Congress, governors, state legislators, and local officials.

These candidates, who emerged as winners from their respective primary elections, strive to be elected to the public office. The November General Election provides citizens with the power to choose their leaders and influence the course of their communities and the nation.
