

Annual Report

THE JOURNEY HOME

2024

From Our Executive Director

2024 was a busy year for The Journey Home. Here are some highlights:

JAN We were extremely busy as our occupancy rate was 92%, one of the highest rates to date. January also marked our 10-year anniversary of welcoming our first guest.

FEB We moved into our beautiful new kitchen.

JUN We were honored to have Leadership Bartlesville Class XXXIII redesign and organize our storage room as well as build furniture to help showcase our new and wonderful conference room.

JUL Three of us attended the Omega Home Network Conference in Indiana. The Omega conference is an incredible opportunity to learn about, as well as collaborate with, homes like ours across the state. We also took ownership of the storage units behind The Journey Home, which will allow us to expand, if necessary, in the future.

AUG We celebrated with a butterfly release to commemorate our 10-year anniversary, remembering those we have cared for throughout the years.

SEP We were the recipient of the Bartlesville Community Foundation "Tell Your Story Grant". This was such an honor to be chosen among all the fantastic Non-Profits we are blessed to have in our community.

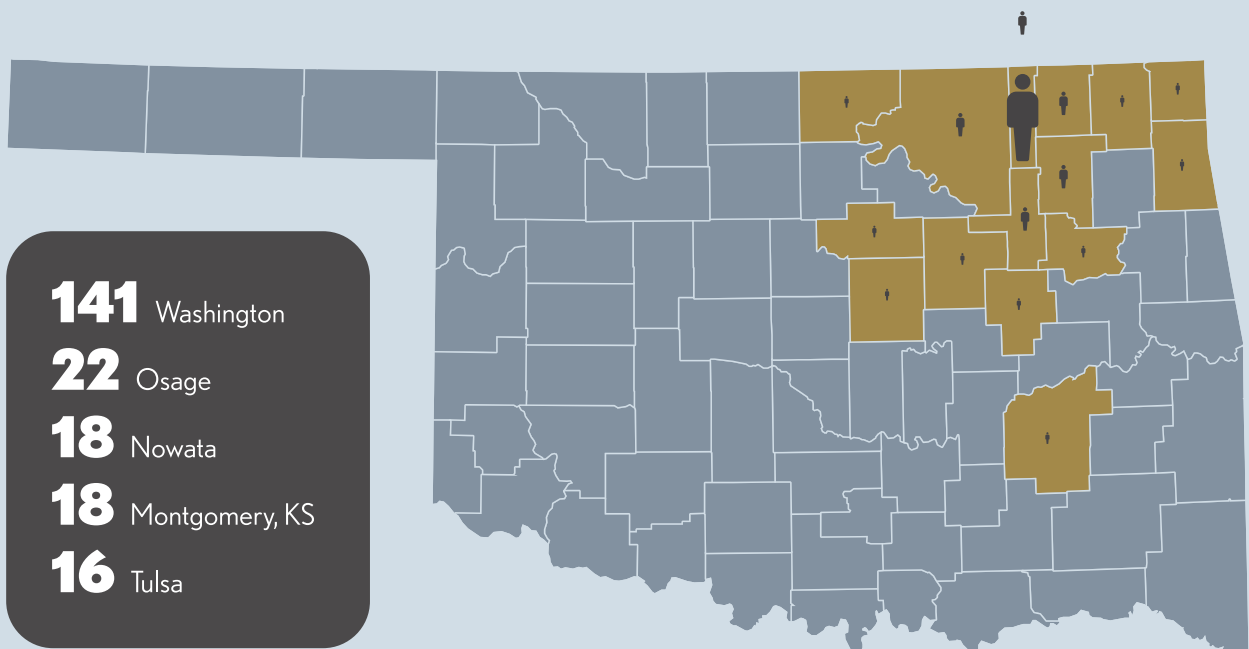

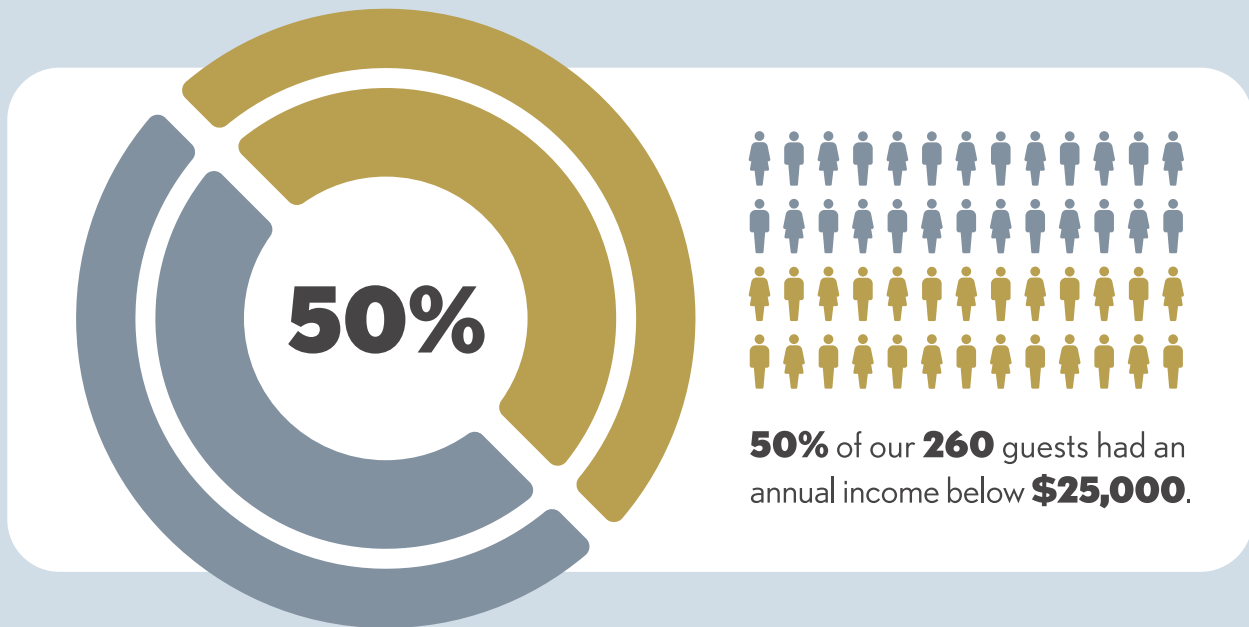

NOV A special treat were the carolers who came to visit and sing to us all. This was truly a blessing.

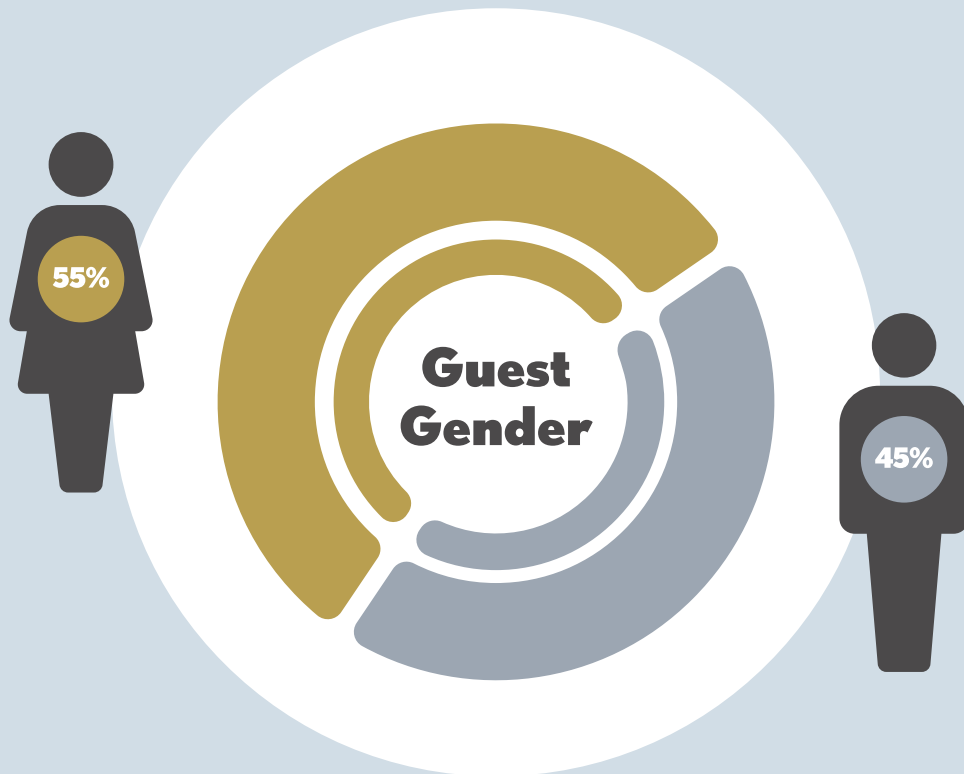

We are incredibly blessed here at The Journey Home, and one thing is certain, we have an incredible staff, volunteers and Board of Directors to ensure we are here for many years to come. We cared for 260 guests and their families in 2024. We live in a world where numbers matter, but for us it is the people we care for that matter most. People like Molly's husband, Craig's grandfather, Rose's neighbor, and Charlie's best friend. At The Journey Home we focus on what these people meant to the family at bedside. They are the glue that kept this family together, they are the spouse of 70 years of marriage, they are the grandmother whose wisdom bonded the family, or the friend they knew they could always count on when they needed advice. These are the stories that make what we do so special. We are honored we get to help all these families during their greatest time of need. We love knowing we had a small part to play in helping the family through their grief. The returned love that comes back to us once the family is gone and their loved one has passed, is why we love what we do. Thank you for trusting us with your family.

The Journey Home was amazing. Every person was kind and gentle. It was a very hard time in my life and each person was exceptional. Thank you so very much for all you did.

I don't know what we would have done without The Journey Home. We are so thankful and grateful to the staff for taking such good care of my dad and all of us.
