to welcoming
you!

This group aims to provide a space for emotional support, sharing information and meeting people in similar situations. We'll be inviting healthcare professionals and other experts to give talks and answer any questions or concerns you may have. You can share information with other group members and get signposting advice to helpful organisations. We'll also make sure there is plenty of time to chat and get to know each other!

There is no membership fee and you can join or leave at any time, without giving notice.

If you're not sure whether this group is right for you, please contact us and we'll be more than happy to give you more information.
