

SAKURA  MAPLE™

Organic and Pure Maple Syrup

It will be a
PLEASURE FOR OUR TEAM
To meet your needs.

From fathers to sons, the oldest Canadian tradition is now recognized and tasted all over the world. To provide you the best quality of maple syrup, we now combine the knowledge of Canadian first nations to the technology and expertise of nowadays.

With many years of experience in international logistics and a big capacity manufacture in Quebec, we can provide you the best maple syrup in different formats, grades and labels.

Feel free to ask more about the way we can help you,

DESSERTS MANUFACTURE

MAPLE SUGAR BLOCK

We can provide big formats of maple syrup and sugar blocks to our industrial clients.

Innovate by creating new flavours with a Canadian taste while being healthy by replacing your white chemical sugar.

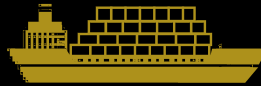

- The least caloric sugar
- Natural and free of allergens, coloring and additives
- A real source of antioxidants
- It provides several essential minerals such as manganese, calcium, potassium, iron, zinc, magnesium and vitamins of which riboflavin and thiamine

Ask our team on how we can supply you for your manufacture!
