Message from the Principal

I would like to take this opportunity to welcome you to Belmont Intermediate School (BIS) and present you with your 'Student and Parent Guide'.

As a school, we will provide our students with a range of exciting and engaging opportunities. At BIS we will encourage and support them to aspire to personal excellence. This means that they set realistic, achievable goals, seek frequent feedback, strive for personal excellence, both inside and outside the classroom, demonstrate high standards of behaviour, take increased responsibility for their learning and uphold our values.

Here at BIS, we encourage our students to think about and be actively involved in their own learning. Their teacher will ask them to set goals and evaluate their progress. Our focus is on developing independent learners within a structured, nurturing environment that celebrates success of all learners.

We have six values central to our way of life at BIS. These values and the behaviours associated with them form the basis of our culture. These are character values that are important in our community.

1. Respect
2. Excellence
3. Humility
4. Courage
5. Creativity
6. Integrity

We will talk about and model these in our daily interactions, during class, assemblies and in the playground.

Throughout the year, students will see me regularly in their classrooms, engaging with them in their learning and celebrating their successes. I always look forward to this and enjoy meeting students and talking to them about their learning.

I hope that all of our students have a challenging and enjoyable year.

Mr Hill
Principal

Absences / Attendance

If your child is absent, parents/ caregivers are asked to notify the school by either emailing the office or using the HERO school app. Parents/ caregivers are asked **NOT** to email the classroom teacher directly to report an absence.

The school office will contact parents/ caregivers if there is an unexplained absence. If there are continued unexplained absences, your child may be asked to make up missed school work during their free time.

Accidents

We can handle minor injuries that occur at school. In the case of serious accidents, we contact parents/ caregivers to take the student to the doctor or hospital. If parents/ caregivers cannot be contacted, or in the case of an emergency, the Principal will arrange for treatment.

Assemblies

The whole school meets every Monday morning for an Administration Assembly. Formal Assemblies are held every second Day 5 in Block 3. During assembly, students are expected to enter and leave the hall respectfully. High standards of behaviour and uniform are expected at all times. Our assemblies centre around celebrating the success of all students at BIS.

Behaviour

At BIS, students have the right to learn and teachers have the right to teach. Any behaviour that infringes on these rights is not acceptable and is dealt with accordingly. The school has clear behaviour management plans that set out behaviour expectations and consequences for inappropriate behaviour. Our values of excellence, respect, courage, humility, creativity and integrity guide the way we behave and relate to each other at BIS.

Bicycles and Scooters

It is compulsory to wear a helmet and a high-visibility vest when cycling or scooting to and from school. There is a great deal of traffic on all roads around the school. The school reserves the right to withdraw a student's permission to cycle or scooter to/ from school if any breaches of the road code occur.

Riding in the school grounds is prohibited. Riders must get off their bike or scooter at the gate and walk alongside their bike/scooter down the driveway - and do the reverse on their way home. Bikes or scooters should be stored in the bike shed by the front entrance. Riders must have a safety chain or padlock to lock their bike or scooter. The school will take all possible care of bicycles that are stored correctly during school hours but will not accept any responsibility for bicycles or scooters that are stolen or damaged.

All students cycling or scooting to and from school should have signed a cycling/ scooter agreement (found on our website 'Parents A - Z') either as a separate form or as part of their enrolment form.

Bring Your Own Device (BYOD)

Students are encouraged to bring a device that meets the school's [BYOD guidelines](#). All students should have signed a [Digital Citizenship Agreement](#) as part of their enrolment application form. Devices are locked away at interval and lunchtime. All devices must go home daily to be charged.

Buses

The Auckland Transport (AT) school bus service is provided by Ritchies Bus Company, which determines both routes and fares. However, the school works in coordination with the company to ensure that all students behave on the buses. Complaints from drivers are dealt with at school and parents are involved if any serious misdemeanours occur. Ritchies Bus Company has the final say as to who will travel on its buses and the school reserves the right to suspend from travel any students whose behaviour is a threat to the safety of others.

Students using the bus are encouraged to purchase a Hop Card (re-programmable electronic pass) available from the driver on all Ritchies Buses or Auckland Transport. This also makes the journeys cheaper.

Students line up on the concrete path above the car park on Winscombe Street nearest the Takapuna Grammar School driveway by Gate 1.

We recommend you check the Auckland Transport website for bus timetable updates:

Car Parks/ Student Drop-Off and Collection

The staff carparks, via Gate 1 and Gate 2 on Winscombe Street, are for **staff and visitors only**. Please do not use these carparks or entrances to drop off or collect students. Additionally, please do not use the driveway on Lake Road (Gate 3) for dropping off or collecting. **This is a safety issue**, and is in place to keep all of our students safe.

Camps

All Year 8 students will attend camp in Term 1, further [camp information](#) can be found on the school website. Any additional information will be communicated to parents via Hero.

Change of Contact Details

If any of your contact details change during the year (e.g. home address, telephone number, parent's/ caregiver's mobile numbers, email addresses or emergency contacts etc.), it is very important that you notify the [school office](#).

Collecting Students Early or for an Appointment

If students need to leave school during school hours for a personal reason, e.g. doctor or dentist, parents/ caregivers must email both their child's teacher and the [office](#) in advance, where possible, so we are able to remind the student to come to the office for collection. Due to the size of the school and individual timetables, locating students can not always be guaranteed by the office staff without prior notice.

Students are required to report to the office to enter their name, room number and a reason for leaving school on the VisTab Tablet. If they return to school at the conclusion of their appointment, report to the office and record the return time on the tablet.

Class Captains and Vice Captains

Each class elects a Captain and Vice-Captain every two terms. The appointed Class Captains will wear badges at all times.

Communication

The school communicates with parents and caregivers using a range of media with our SMS [HERO](#) being the primary method. School newsletters and other correspondence are notified via HERO and printed copies are given to students who do not have internet access at home. If parents/ caregivers are not receiving notifications please email [Mrs Vorster](#), Executive Assistant to the Principal. You can select if you would like to receive notifications via email or push notification in your app settings (it is defaulted to push notifications).

Belmont Intermediate School also uses [Twitter](#) and [Facebook](#). The school website www.belmontint.school.nz is also a wealth of information for parents and caregivers.

Teachers at BIS will email a fortnightly update to parents/ caregivers highlighting key events, homework expectations and keeping them informed about the day-to-day running of the classroom.

Use of the school phone is only to be used in the case of emergency. Forgetting lunch, shoes, homework etc. does not constitute an emergency.

Messages for students - unless it is an emergency, we ask that parents and caregivers refrain from calling the school office to pass on messages to students - this interrupts the classroom and teacher. Please discuss after-school arrangements etc. before leaving for school in the morning.

Conferences

The school encourages parents/ caregivers to arrange meetings with their child's teacher if they have any concerns about progress or behaviour. There will be a parent/ teacher conference at the end of Term 1. Teachers themselves may request meetings with parents if they have concerns.

Conferences take place after written reports are sent out. We also enjoy having contact with parents/ caregivers about the positive aspects of their child's schooling.

Damage To School Property

If students cause any intentional damage to school property or equipment, parents/ caregivers will be informed and they may be asked to pay for the cost of repairs or replacement.

Dental Clinic

The dental nurse at the Belmont Dental Clinic not only gives dental treatment and inspects student's teeth, but also advises about teeth, diet and general health habits. The nurse will send parents an appointment time and students will be reminded of this on the Daily Dash on the morning of their appointment time. If a dental problem or an injury occurs, students may visit the dental nurse or parents can call the clinic to arrange a consultation during school hours. The dental clinic is located on Winscombe Street, Gate 1. The phone number is (09) 445 6664.

Discos

Discos are held during the year in our school hall and are run by our PTA.

Below are some guidelines for our school discos:

- Students are supervised by parents and teachers at all times and are not allowed to leave the hall until the conclusion of the disco.
- All students **must be dropped off** and **collected from the hall** by a parent, caregiver or nominated adult.
- All tickets must be pre-purchased through the [Online Shop](#). Students will be advised when tickets are on sale.
- Students are permitted to bring a small amount of money as cold drinks and snacks will be on sale during the disco.

EOTC

Education Outside The Classroom (EOTC) takes place during Term 1 with Year 8 Camp and Year 7 EOTC Week. It can also happen in the form of trips for classroom learning or for specialist subjects. Teachers will send out information closer to the time with an itinerary and cost breakdown.

EzLunch

EzLunch provides delicious and nutritious food which can be ordered through the school's [Online Shop](#). Ezlunch is provided by Five Loaves in Devonport (Tuesday - Friday) and Pita Pit (Monday and Friday only). Order by 11pm the night before or in advance. Ordered lunches will be delivered to the school and Lunch Monitors will collect them from the school office and deliver them to classrooms.

Fizzy Drinks

Coca Cola, Fanta, energy drinks and soft drinks etc. are **not** permitted at school. They hinder learning and contain too much sugar, which is not a healthy choice. There are water fountains located around the school.

Hall

The hall is out of bounds at all times **unless supervised by a teacher** - this includes before and after school.

Homework

Homework will be given as part of the teaching and learning programme. The format will vary depending on the units being studied in the classroom. If students have any problems with any aspect of the homework, they can speak to their classroom teacher.

House / School Organisation

All classes are either Year 7 or Year 8. The school is divided into four houses corresponding to NZ lighthouses: Brett, Cuvier, Pencarrow and Tiri. There is a mixture of students from each class in each house. In addition to the four houses, there are four teaching and learning teams, in Year 8 we have Rangitoto and Motuihe and in Year 7, Rakino and Motutapu.

House Points

Every week the houses compete in categories which reflect all aspects of school life. The house points are read out at the Formal Assembly. When a house wins three times, they are allowed to wear mufti on a date agreed with a Deputy Principal. The winning house for the term is rewarded with a special privilege.

House Sport

House Sport will take place on Day 6 in Terms 1 (commences Week 8) and 4 (weather permitting), during block 3. All students will be involved. Students will compete against other houses in a range of different sporting activities.

Internet

We encourage the use of the internet at Belmont Intermediate School to aid with teaching and learning. However, it must be in accordance with the rules set out in the school's Digital Citizenship Agreement which all students signed on enrolment. If you require clarification of this policy, please discuss it with your homeroom teacher or [Mrs Tyler](#).

Jewellery

For safety reasons, only a wristwatch and a single set of gold or silver plain studs for pierced ears - no markings, stones or engraving - are permitted. In the interest of safety or hygiene, any teacher has the right to request that jewellery is removed. Cultural jewellery is welcomed in our school.

Lateness

If you arrive at school later than 8:45am, students **MUST REPORT TO THE OFFICE AND SIGN IN** using the VisTab tablet. They will be issued with a late sticker which they take to their class teacher to show they have signed in. This is a check for the office staff so that they can cross your child's name off the absence list. In cases of repeated lateness, the Deputy Principals or the Principal will contact parents/ caregivers.

Leadership - Head Boy & Head Girl

At Belmont Intermediate School we have a Head Boy and Head Girl. Metua-Tatare Kainuku and **Sophie Sickling** will lead a group of 25 School Council members throughout 2026.

Library

The library area has a good selection of books and eBooks. The library will be open to students from 1:10pm (daily, from Week 2 - 3, approximately in Term 1). A staff member will be able to assist you with research needed to complete classroom projects. Your class will also have set library sessions. Two students from each class are chosen as class librarians. You may borrow up to two books at a time for two weeks. You will be charged for any books that you lose or damage. Good and quiet behaviour applies in the library. Students are not permitted in the library without a teacher present. Our Library Manager is Mrs Spillane.

Lost Property

Please make sure that your child's uniform is **clearly labelled with their surname**. When a uniform is labelled, students have a much higher chance of it being returned to them. Do not leave hats, PE gear, etc. on top of school bags or in your cloak bays. It is easy to lose items when they are not stored safely in school bags. If students lose something, they are directed to check the classroom, cloak bay and the lost property bin in the hall foyer first.

Any lost property collected from around the school will be initially stored in the bin inside the hall foyer, this is the first stop for trying to find lost items. Lost property is then moved weekly to the Lost Property Room (adjacent to the School Hall) which will be open to students weekly on Tuesday lunchtimes (commencing March onwards). Lost Property is coordinated by external volunteers.

Students are encouraged to take care of their property and search independently for any lost items. BIS staff are unable to search for individual items for students.

Lost Property - Students' Lunch Boxes

In previous years, we have experienced a number of issues with lunch boxes being left in the playground and not claimed by students. The environmental impact is significant; therefore, we encourage students to take food out of their lunch boxes for morning tea and lunchtime, leaving their lunch box in their bag, and place wrapping paper and rubbish in the bins provided.

Make-up and nail varnish (including acrylic nails)

Make-up, acrylic nails and nail varnish are **not** to be worn at school under any circumstances, including mufti days.

Messages

Only one person is to deliver a message for the teacher. Students do not need to take a friend with them.

Mobile Phones & Smart Watches

Students are not permitted to have their mobile phones or smart watches on their person or in their bag during the school day. Upon arriving at school, students **must** hand in their mobile phone and smart watch to the main office (turned off or on silent) for the duration of the day. Students can then collect their phone/watch at the end of the day from the main office before departing school.

Any student found in possession of a mobile phone or smart watch during the school day will be required to hand in the phone/watch to the Deputy Principal responsible for their year group (Year 7 - Mr Nichol, Year 8 - Mr Oldham). Parents/caregivers will be contacted and asked to come in and collect the phone/watch. A second offence will mean the phone/watch can no longer be brought to school. There is no flexibility on this.

Mufti Days

The house that wins house points three times is allowed to wear mufti on a nominated day. Mufti attire should not endanger you in practical learning sessions. Crop tops, shoe-string tops and short shorts are deemed inappropriate for school wear. Students still need to wear school PE gear for fitness, PE or sport. The rules for nails, make-up and jewellery wearing apply on mufti days.

Notices - BIS Daily Dash

Daily notices are communicated via the [Daily Dash](#); it is the student's responsibility to listen to it carefully for the daily notices or read it online. Students can access the Daily Dash via their class website. Students without devices can access the information via the daily dash monitors or the classroom teacher.

Online Shop/ Payments

Payment for all school fees, activities, events, sports and lunches can be made via the school's [Online Shop](#).

Orchestra/ Performing Arts

If your child is interested in joining the Orchestra or taking part in Performing Arts, [click here](#) for our Performing Arts Site for more information.

Out of Bounds

Students are not permitted to leave the school during school hours without a request from their parents.

Students are not permitted in the following areas:

1. In the hall, library or language suite without a teacher
2. Bike shed or car park behind rooms 1 - 7
3. Any car park area unless using the pedestrian crossing
4. In classrooms without a teacher

5. Behind the Room 21 (Lake Road side)
6. Behind the Specialist Block (Winscombe Street side)
7. On any roofs
8. In the Takapuna Grammar School grounds
9. On the Takapuna Grammar School driveway.

Students are not to use cloakbays or toilets of other classes without permission. An announcement will be made over the loudspeaker if the fields are out of bounds.

Physical Education Uniform

The BIS PE uniform must be worn for all PE activities, including mufti days and sports trials and practises. Students must wear sports shoes with their PE uniform or bare feet. **School shoes are not to be worn with PE gear at any time.**

In 2026 we will continue the practice of wearing full school uniforms to and from school with two exceptions. Students are able to wear their PE uniform **to school for the day** when House Sport is timetabled. Students are also able to wear their PE uniform **home from school** when they have Team Sport scheduled in a Block 3.

Physical and Verbal Harassment

The school does not tolerate physical or verbal harassment. We have a policy that sets out clear guidelines as to how such behaviour will be dealt with. If any student is intimidating you, see your teacher, team leader or the Deputy Principal for your year (Rakino - Mr Nichol, Motutapu - Mrs Tyler, Year 8 - Mr Oldham).

Resource Room

The Resource Room is where school resources are held and is managed by Mrs Spillane. Two resource room monitors are chosen by the classroom teacher and training is provided to resource room monitors.

Road Patrol

The crossing on Winscombe Street is patrolled before and after school. When crossing on Winscombe Street, **students MUST use the crossing and follow the directions of the road patrol students and the teacher on duty.**

Roof

If the ball you are playing with goes onto the roof, do not climb up on the roof to retrieve the ball, all school roofs are out of bounds. You are to tell the Property Manager, Mr Haydn Colquhoun.

School Leaders and House Captains

At our Prize Giving last year, Mr Hill announced Head boy and girl, 11 new School Leaders and 16 House Captains/Deputies for 2026. These leaders have school and community responsibilities and can be identified by the badges they wear while at school. These students are leaders within the school and are available to talk to you if you have ideas that you would like discussed at their weekly meetings.

Sickness

If you become ill at school, report to the school administrator and first aider, Mrs Churches or Mrs Vorster, who will admit you to the sickbay and possibly contact your parents/ caregivers to take you home. Friends must not stay with you in the sickbay and your teacher must be notified of the reason for your absence. **It is not acceptable for students to contact their parents via email, text or using a smartwatch to ask to be collected.** Students must report to the office in the first instance.

Specialist Lessons

It is a health and safety requirement for students to wear covered shoes in specialist rooms, with the exception of the art, languages and music rooms. If you wear sandals, you may bring sports shoes (sneakers) to school for specialist lessons. Please note you cannot, however, wear your sports shoes to or from school, before school or during break times.

Sport

Belmont Intermediate School aims to:

- Provide a variety of opportunities that enable and encourage student participation in the sporting life of the school

We are also represented by a number of teams and individuals at the annual AIMS Games Competition, held in Tauranga in Term 3. The AIMS Games is a national sporting event for intermediate school children across New Zealand and Australia. The school makes decisions about which teams attend the AIMS Games, not parents or local sports clubs.

All sports registrations are done online. Links to register for sports can be found on the [school website](#). If you have any queries regarding sport at BIS, please see [Mr Simpson](#) in the Sports Office.

Exercise books do not need to be covered and are to be free of graffiti. You may be asked to replace a book if it is not possible to clean it up.

All books are set out consistently across the school and teachers will show you how to set your books out. We do not sell stationery at Belmont Intermediate School.

The BIS School Song

Upon the sea of knowledge,
We have embarked together,
In our ship the Belmont,
Through fair and stormy weather.
The Principal is steering,
He navigates the shoal,
We're on a two year journey,
And learning is our goal.

Chorus

So we'll hold fast the tiller,
Our course set straight and true,
We'll sail into tomorrow,

With hope and courage too.
We know that it's old fashioned,
To say peace and brotherhood,
But Belmont Intermediate can,
Be a force for good.

Our watch cry it is effort,
Which means we try our best,
We'll persevere with learning,
Until we gain success.
The Belmont is a small craft,
