IndexAtlas Exits Wowow Inc

July 18, 2025, Basel – IndexAtlas exited its investment in Wowow, the Japanese content production and distribution company with increasingly meaningful ecommerce business, taking opportunity to do profit taking given recent share price increase and locking 29% capital gain over 4.5 months holding period.

IndexAtlas remains a committed investment to Japanese media market and continues to add some local stocks to its portfolio, increasing further investment in the Japan-Taiwan digital media firm TNL Mediagene, where IndexAtlas continues to accumulate its trading position.
