

FSO Table

FSO Table
by David Irwin

WHAT

A refined and durable, recycled steel laptop table with a super thin profile and a large surface, for flexible working, elbow leaning and tea supping. Possibly all at once.

WHY

A complimentary laptop table for use with flexible and comfort seating, without impacting the environment.

HOW

Boasting a recycled steel frame with optional recycled powder coat finish, combined with quality welding and structural FSO tube - this table is build to stand the test of time.

MATERIAL	RECYCLED CONTENT	RECYCLABLE CONTENT	PLANT BASED CONTENT	WEIGHT	KEY FEATURES
Mild Steel	25%	100%	0%	FS01 11KG	1 Generous surface area
Recycled Powdercoat	100%	0%	0%	PRODUCTION Birmingham, UK	2 Recycled steel
Teflon	0%	100%	0%		3 Fully welded
					4 Recycled powder coat
					5 Scratch resistant feet
					6 Made in UK
GOOD TO KNOW					
- Low VOC. Adhesives are water based and formaldehyde free.					
- * Based on ‘Get Wasted’					
- ** Other RALs available					
These attributes can help you to achieve criteria towards LEED, BREEAM, Ska and WELL certifications.					

Our aim is to develop a sustainable business that meets consumer needs without compromising our future welfare. Our products can contribute to the sustainability goals of a commercial project and we are proud be able to offer FSC®certified products and use recycled metals. Where sustainable sources are quoted, and a chain of custody is required, this must be indicated on the purchase order. A chain of custody requested after an order has been placed will not be possible to recover. Figures stated in the summaries may vary based on model and options selected. Recycled calculations are taken from supplier information and industry data, as such material variables are likely to affect the figures which may result in changes to these percentages. This document is subject to change without notice.
