WHAT

A pared-back meeting table crafted from quality materials, offering both emotional appeal and long-lasting functional durability.

WHY

To deliver personality, sustainability, and practical performance in a simple, easy-to-assemble design for modern workplaces.

HOW

By employing a fully disassemblable flat-pack construction with smart, integrated connectivity solutions.

Ferndale and Dewsbury

KEY FEATURES

- 1 Plywood top
- 2 Optional forbo or laminate
- 3 Steel Legs
- 4 Static or wheeled foot
- 5 Optional Table Hooks
- 6 Optional Power Unit
- 7 Made in UK
- 8 Multiple Sizes

GOOD TO KNOW

- * Based on BR3 model.

Our aim is to develop a sustainable business that meets consumer needs without compromising our future welfare. Our products can contribute to the sustainability goals of a commercial project and we are proud to be able to offer FSC®-certified products and use recycled metals. Where sustainable sources are quoted, and a chain of custody is required, this must be indicated on the purchase order. A chain of custody requested after an order has been placed will not be possible to recover. Figures stated in the summaries may vary based on model and options selected. Recycled calculations are taken from supplier information and industry data, as such material variables are likely to affect the figures which may result in changes to these percentages. This document is subject to change without notice.
