Partnering to Advance the Kingdom

To our investors,

We believe we are accountable to God for how we deploy capital, how we influence companies, and how we use the profits entrusted to us. From this belief we launched our Give50 initiative to donate 50% of our lifetime net profits from management fees at Inspire Investing to advance Christ-centered work around the world, so that generosity would be codified into our corporate DNA. It is our commitment not only to be investors in impactful companies, but to become one of the most impactful companies in the world.

That's Inspire's vision, but YOU are part of this.

Because you have entrusted Inspire with your investments, you are an integral part of this kingdom impact. Every account managed, every portfolio built, and every dollar stewarded contributes to the Faith-Based Investing movement where Bibles are placed in the hands of the persecuted, unborn lives are saved, the oppressed are defended, and students hear the truth of Scripture.

I am continually humbled by what God is doing through this initiative. We pray over these partnerships, we seek wisdom in stewarding these resources, and we remain grateful for clients like you who make this possible. We hope and pray that the shared impact in this report will inspire you and enlarge your vision for what is possible when the church comes together and ushers in God's kingdom on earth as it is in heaven.

Thank you for helping inspire transformation for the glory of God.

With gratitude and expectation,

WorldHelp®

World Help is a Christian humanitarian organization serving the physical and spiritual needs of people in impoverished communities around the world. Their mission is to provide Help for Today and Hope for Tomorrow.

6,000

BIBLES DELIVERED IN 2026

Based on reported data that \$10 provides one Bible to Christians in persecution.

HOW BEAUTIFUL ARE THE FEET OF THOSE WHO BRING GOOD NEWS.

ROMANS 10:15

In the past year alone, World Help worked to transform 1,552,720 lives across the globe. They distributed 63,601 Bibles, planted 1,442 churches, completed 58 clean-water projects impacting 74,708 people, shipped 63 containers of aid valued at \$23.6 million, and provided more than 9 million meals to families facing hunger and crisis.

Through Inspire's Give50 initiative, funded by a portion of firm profits, contributions were made to support the distribution of 6,000 Bibles to believers in North Korea, strengthening the persecuted Church in one of the most spiritually restricted regions in the world. And we are continuing to invest alongside World Help in our second Village Transformation Project where sustainable development through clean water, education, vocational training, and Gospel-centered discipleship is provided to remote and impoverished communities around the globe.

In places often described as "Bible deserts," World Help ensures that physical relief is never separated from eternal hope, because a meal may sustain the body for a day, but the Gospel transforms a life forever.

PreBorn!

PreBorn! is a Christ-centered, pro-life nonprofit that partners with life-affirming Pregnancy Clinics nationwide to save babies and souls at the crossroads of life and fear. Their mission is to glorify Jesus Christ by leading and equipping Pregnancy Clinics to reach women considering abortion, especially in high-abortion regions, and to connect them with compassionate care and the hope of the Gospel.

2,679

BABIES SPARED IN 2026

Based on reported data that \$28 provides a free ultrasound to abortion-minded women.

FOR YOU FORMED MY INWARD PARTS; YOU KNIT ME
TOGETHER IN MY MOTHER'S WOMB.

PSALM 139:13-16

Through a growing national network of Pregnancy Clinics, ultrasound placements, and a 24/7 Virtual Care System, PreBorn! is confronting the rapid rise of chemical abortion and telehealth distribution head-on. In 2024 alone, an estimated one million babies were lost to abortion in the U.S., many through mailed abortion pills. PreBorn! is actively countering this trend by increasing clinic access, expanding into high-risk regions, and connecting abortion-minded women directly to life-affirming care.

Since 2007, PreBorn! has:

- Provided **1,030,000+** pregnancy tests
- Helped save **337,000+** babies
- Celebrated **86,000+** commitments to Christ
- Placed **460+** ultrasound machines nationwide

Through Inspire's Give50 initiative, funded by a portion of firm profits, contributions were made to support the sparing of 2,679 babies through pro-life counsel!

What PreBorn! does matters because when mothers see their baby's heartbeat for the first time, hope replaces fear. Because of this work, babies are saved. The Gospel is shared. And hope is renewed one heartbeat at a time.

IJM

A global non-profit organization that works to protect people in poverty from violence, specifically focusing on ending human trafficking, modern-day slavery, and sexual exploitation. IJM partners with local law enforcement to rescue victims, bring criminals to justice, and restore survivors.

381

SURVIVORS OF TRAFFICKING IN 2026

Based on reported data that \$105 covers trial fees for one case defending a victim of human trafficking.

DEFEND THE OPPRESSED. TAKE UP THE CAUSE
OF THE FATHERLESS.

ISAIAH 1:17

Through Inspire's Give50 initiative, funded by a portion of firm profits, contributions were made to support helping fund 381 cases of legal representation to enable IJM to continue standing in the gap for those who cannot defend themselves and contributing to justice systems that protect millions.

In Bangladesh (where child sex trafficking is among the worst IJM has encountered) this year marked a significant breakthrough. IJM received official government registration to begin implementing its protection model and has already coordinated cross-border casework resulting in the rescue and repatriation of 27 survivors. Most recently, Bangladeshi police conducted their first IJM-supported rescue operation, freeing 6 girls and 6 women from exploitation.

Even while awaiting full operational status, IJM trained over 50 police officers in anti-trafficking laws, victim identification, and trauma-informed care.

As Claire Wilkinson, IJM Regional Vice President for South Asia, shared:

"Many children will be free in the coming years because of you... Our prayer is that God will bless you tenfold for your generosity, and that this seed we are planting in Bangladesh will grow into a mighty sequoia of justice in the years to come."

The background of the entire graphic is a photograph of three young children, two girls and one boy, smiling and looking towards the camera. They are all wearing dark-colored t-shirts with the 'LIFEWISE ACADEMY' logo and three stars printed on them. The text and other graphics are overlaid on this image.

LIFEWISE ACADEMY

LifeWise brings Bible education to public school students during the school day through released-time religious instruction with parent permission, creating safe spaces for the Gospel to take root in the next generation.

STUDENTS BIBLICALLY EDUCATED
IN 2026

Based on reported data that \$30 provides a month of Bible-based education to public school students.

AND THESE WORDS THAT I COMMAND YOU TODAY SHALL BE ON YOUR HEART. YOU SHALL TEACH THEM DILIGENTLY TO YOUR CHILDREN, AND SHALL TALK OF THEM WHEN YOU SIT IN YOUR HOUSE, AND WHEN YOU WALK BY THE WAY, AND WHEN YOU LIE DOWN, AND WHEN YOU RISE.

DEUTERONOMY 6:6-7

Through a network of local churches, volunteers, educators, and families, LifeWise has grown rapidly. In the 2025-26 school year, LifeWise is on track to serve nearly 100,000 students across 34 states.

LifeWise program impact highlights:

- Programs operating in 34 states and 1,100+ schools, nearly double from the prior year
- Third-party research shows positive trends in student attendance, behavior, and community outcomes linked to LifeWise programs
