Typography

Team worker

## Experience

### Currently

### Full Time Freelancer

2015 – Ongoing

Working as a freelance graphic designer searching for new experiences in the design field.

## Tools

Adobe Illustrator

Adobe Photoshop

Adobe XD

Webflow

Wordpress

### Skin Elements - India

2017 – Ongoing

### Freelance Graphic Designer

As a freelance graphic designer at Skin Elements, I was asked to design Google, Facebook and Instagram ads. I also did some of their product packagings.

### Digitawise - Los Angeles

2017 – 2018

### Graphic Designer

Worked part-time at Digitawise – a Los Angeles digital marketing & branding agency, which had a huge impact on my work and the way I approach projects. One of the most valuable experiences in my career.
