

Affording Insulin Medication

Struggling to pay for your medication? Your insulin manufacturer may be able to help. Use this handout so that you never miss a dose.

Find the most up-to-date info at insulinhelp.org

There are three insulin manufacturers who offer immediate assistance and long-term solutions.

This is the fastest way to get help. Be sure to have all of your information ready before you call. Available options are based on your income, insurance, and the type of insulin you need. Find out who your manufacturer is by checking the company logo on your insulin vial or pen, and call using the numbers provided below.

Lilly Diabetes Solution Center

833-808-1234

Anyone using Lilly insulin can call a live representative to have a confidential conversation to review solutions based on each person's circumstances.

Novo Nordisk NovoCare®

1-844-NOVO4ME

1-844-668-6463

NovoCare® provides resources to help you understand your options, find costs, and connect you to affordability support.

MannKind Corporation

MannKind Support Programs

Sanofi Patient Assistance Program

888-847-4877

Sanofi provides unprecedented access to its insulins for one set monthly price.

Before you call, plan to spend **20–30 minutes** and be prepared to answer questions such as:

- Basic contact information
- Date of birth
- Income
- If you have an active prescription at a pharmacy
- Cost of insulin for monthly supply
- Method of insulin administration (via/pen)
- Dosage
- How much insulin you have on-hand
- Type of insurance (private, commercial)
- Amount of deductible
- Whether you are a U.S. resident (required)
