

Your Ally in the Dependency System

Parent Allies are veteran parents who successfully navigated the child welfare system and have been reunified with their children.

The Parents for Parents Program is designed to support parents who have had their children removed from their care.

The program offers 2 Parts:

- Weekly virtual support group
- Support for you at court hearings
- A 2 hour parent education class
- Monthly Dependency 101 class

The Parents for Parents Program offers you Education, Empowerment, Encouragement and Engagement.

Our Parent Allies will share their stories with you and offer you valuable information and resources.

Reach out today to find out how we can guide you through the dependency process and support your journey toward reunification with your child.
