

JOIN US FOR **FATHERS REBUILDING FAMILIES**

Fathers Rebuilding Families is a father-led program built on the Nurturing Fathers curriculum, offering real tools for real life. This isn't just about learning how to parent, it's about becoming the father your children need. Through shared experience, honest dialogue, and practical support, fathers gain the skills to rebuild trust, strengthen relationships, and lead their families forward.

What We Offer:

- Fatherhood Education that translates into everyday life
- Real Mentorship from fathers who have walked the path
- Ongoing Support that meets you where you are
- Opportunities for Personal Growth and Self-Development
- A Strong, Connected Brotherhood of Fathers committed to change
