

Family Bridge Child Care Program

Helping Families Access Child Care While Building Stability and Recovery

Family Bridge Child Care Program provides short-term child care assistance and navigation services to help families participate in treatment and recovery, supporting long-term stability.

Services Include

- ✓ Short-Term Child Care Assistance for Those in or Seeking Treatment and Recovery Services.
- ✓ Child Care Navigation & Support
- ✓ Help Applying for DES Child Care Assistance
- ✓ Community Resource Referrals
- ✓ Connections to Long-Term Child Care Solutions

Who We Help

Families facing child care barriers that impact their ability to:

- Attend inpatient or outpatient treatment services
- Participate in recovery support programs
- Build family stability and self-sufficiency

Our Goal

Removing barriers and connecting families to long-term child care solutions.
