

OPENING HOURS, SESSIONS TIMETABLE & CHARGES
SEPTEMBER 2026 – AUGUST 2027 (Updated Autumn 2026)

We welcome both funded and fee paying children throughout our opening times of 8am-4pm. The timetable below shows our daily opening hours and available sessions. Funded hours are available to eligible children in line with their individual funding entitlement. This includes 2 year old funding, 3&4 year old universal funding and working parents funding (up to 30 hours per week). Additional sessions and hours can be purchased, subject to availability.

Children eligible for funding can access those hours across our session timetable. Additional hours or Lunch Club may be available and can be purchased if all funded hours are already used (please see charges below). All are subject to availability - please see admissions policy.

The Government Base Rate Funding removes financial barriers so all children, regardless of background, can benefit from early learning opportunities through the Core Early Years Foundation Stage (EYFS) Provision and be ready for school. At The Wendover Pre-School, we offer an enhanced experience with extra activities, resources, and snacks. A charge of **£1.50 per funded hour** will be added to your invoice*
