Infinite

Silkscreen — Contemporary style

With its fine-line design, Infinite combines style and subtlety to enhance the entryway. Alternating sandblasted and clear surfaces ensure privacy while diffusing natural light. This contemporary model stands out for the softness it brings to the facade, creating a look that feels both modern and inviting.

Materials and composition

Double glazing with energy-efficient glass (Low-E), argon gas and Intercept® warm edge spacer. This composition reduces condensation, heat transfer by convection, and improves energy efficiency.

Pairing

Looks great when paired with sandblasted finish glass sidelites and transoms.
