

↑ Uno steel door | Solstice 7'×64" doorglass | Vertical accent, black ■ Gentek, Black 525

NEW SIZES

Solstice

Tinted glass — Contemporary style

Solstice is the ultimate doorglass for a contemporary entry. By day, its reflective surface ensures privacy, while at night, it becomes more transparent. The black-tinted glass creates a striking contrast on light doors and seamlessly disappears on dark ones, offering a sleek, minimalist aesthetic.

Privacy level 2/5 Some privacy with clear areas.	Textures 1. Black tinted glass

Solstice — Tinted glass — Contemporary style

Materials and composition

Double glazing with energy-efficient glass (Low-E), argon gas and black Technoform® warm edge spacer. This composition reduces condensation, heat transfer by convection, and improves energy efficiency.

Pairing

Looks great when paired with a clear glass transom.

Custom doorglass

This model is available in custom sizes.

ENERGY STAR®

This doorglass can be part of an ENERGY STAR approved entry door system depending on the options selected. Check with your retailer to see if your selection of Novatech products (door, window frame, doorglass) are ENERGY STAR qualified.

Warranty

10-year limited warranty.
