

Entry-Level Engineering Resume Template

For recent graduates applying for full-time engineering positions

JUNO ARCADIA

Seattle, WA · j.arcadia@uw.edu · (206) 555-9104 · linkedin.com/in/junoarcadia

EDUCATION

University of Washington – B.S. in Aerospace Engineering

Graduated: June 2025

- GPA: 3.75/4.0
 - Capstone: Designed and tested UAV wing structures for aerodynamic efficiency
-

INTERNSHIP EXPERIENCE

Flight Systems Intern – Zephra Aeronautics

Jun 2024 – Sep 2024

- Assisted in modeling and testing of UAV guidance systems
 - Used MATLAB to simulate real-time control response scenarios and validated models using wind tunnel tests
-

PROJECTS

Orbital Debris Tracking Software – Team of 3

Mar 2024 – May 2024

- Coded a debris prediction algorithm using orbital parameters (TLE data) and Python's Astropy library
-

TECHNICAL SKILLS

MATLAB, Simulink, CATIA, Python, Git, Wind Tunnel Testing, COMSOL, Systems Engineering

CERTIFICATIONS

- FAA Part 107 Drone Pilot Certificate
- Introduction to Aerospace Structures – MITx
