

College Assignment Heading Templates

1. Generic College Assignment Heading Template:

Your Full Name

Instructor's Name

Course Name and Course Number

Submission Date

(Leave one blank line here)

Assignment Title

(Centered, written in title case, same font and font size as body text)

2. MLA Heading Template

Your Full Name

Instructor's Name

Course Name

Submission Date

(Day Month Year format, e.g., 24 January 2025)

(Leave one blank line)

Assignment Title

(Centered, not bold, not italicized)

Header (top right on every page):

Last Name + Page Number

3. APA Heading Template (Title Page Required)

Assignment Title

(Centered, bold, title case)

Your Full Name

Institution Name

Course Name and Course Number

Instructor's Name

Submission Date

4. Chicago Style Heading Template (Notes & Bibliography)

Assignment Title

(Centered, title case, placed about one-third down the page)

Your Full Name

Course Name and Course Number

Instructor's Name

Submission Date

(All identification details placed on separate lines, centered or left aligned depending on instructor preference.)

5. Harvard Style Heading Template

Assignment Title

(Centered, bold or plain depending on instructions)

Your Full Name

Course Name and Course Number

Instructor's Name

Submission Date

Word Count (if required)

(Harvard places the title first, then identification details flush left on separate lines.)

6. IEEE Heading Template

Assignment Title

(Centered, bold, using the same font as the paper)

Your Full Name

Student Number (if required)

Course Code

Instructor's Name

Submission Date

(IEEE is more technical; identification details sit on the left and the title stays centered.)
