Subject: Application for Fashion Internship

Dear Ms. Jacobs,

I am excited to apply for the Fashion Internship position at Vogue Atelier. As a junior majoring in Fashion Design at Parsons School of Design, I have been deeply inspired by your innovative collections, particularly the Fall 2024 line, which seamlessly merged contemporary elegance with sustainability. I am eager to contribute my design sensibility and hands-on skills to your creative team.

During my academic journey, I developed proficiency in garment construction, fabric selection, and digital design tools like Adobe Illustrator and CLO 3D. As a design assistant for the Parsons Annual Showcase, I worked with a team to produce 15 runway-ready pieces, managing tasks from sketching concepts to final fittings. This experience honed my ability to collaborate under tight deadlines while maintaining attention to detail.

Your dedication to sustainable fashion resonates with my own commitment to ethical design. Last summer, I spearheaded a recycled textile project, crafting a capsule collection that reduced fabric waste by 40%. I am confident that my creativity, technical expertise, and passion for sustainable fashion align with Vogue Atelier's mission.

Thank you for considering my application. I would love the opportunity to bring my perspective and enthusiasm to your team. Please feel free to contact me at (555) 123-4567 or jessicamoore@email.com to discuss how I can contribute to your studio's vision.

Warm regards,

Jessica Moore
