**Subject:** Application for Nursing Internship

Dear Ms. Simmons,

I am writing to express my interest in the Nursing Internship at Mercy General Hospital. As a third-year nursing student at the University of Illinois at Chicago, I am eager to bring my clinical training and compassionate care approach to your patient-centered environment.

I am particularly inspired by your focus on [specific program or initiative, such as “expanding access to preventative care”]. My dedication to providing empathetic, evidence-based care makes me confident in my ability to contribute to your team and support your mission.

Thank you for considering my application. I would be honored to join your team and further develop my nursing skills under the mentorship of Mercy General Hospital’s esteemed staff.
