3 Paragraph Essay Template

Introduction Paragraph

- Sentence 1 - Opening statement that introduces the topic and draws the reader's attention.

- Sentence 2 - Brief background information that helps the reader understand the subject.

- Sentence 3 - Narrowed focus that leads the discussion toward the main idea.

- Sentence 4 - Thesis statement that clearly states the central argument of the essay.

Body Paragraph

- Sentence 1 - Topic sentence that presents the main point supporting the thesis.

- Sentence 2 - Explanation that clarifies the meaning of the point.

- Sentence 3 - Supporting fact or example that provides evidence.

- Sentence 4 - Additional explanation showing how the evidence supports the argument.

- Sentence 5 - Closing sentence that reinforces the point and connects it to the thesis.

Conclusion Paragraph

- Sentence 1 - Restated thesis written in different words.

- Sentence 2 - Short summary of the main point discussed in the body paragraph.

- Sentence 3 - Final thought that closes the essay and reinforces the central idea.
