

The background of the advertisement is a vibrant blue with a faint, white geometric pattern of lines and shapes. Various technical and creative tools are scattered around the central text. In the top left, there's a white Maxxliner Pacific Arc alcohol marker and a black Sharpie BlackLine by Pacific Arc marker. A clear ruler with inch and centimeter markings is positioned diagonally. To the right, a large black and silver Pacific Arc divider is shown, along with a blue Pacific Arc B-40 0.7mm ballpoint pen and a silver Pacific Arc B-400 0.3mm ballpoint pen. A small, round, blue and white marbled object is also visible. In the bottom right, a white ruler with inch markings is placed over a grid of yellow wooden drafting tools, including several straightedges and a curve. A large orange triangle with a white outline is in the bottom left. The central text is white and bold, with a red swoosh above the brand name. The year '2026' is flanked by two small blue dots. The overall aesthetic is professional and technical.

BUILDING THE FUTURE

Greetings from Pacific Arc!

Welcome to our 2026 catalog—your guide to the tools and supplies that bring ideas to life.

For over 45 years, Pacific Arc has been a trusted partner to artists, architects, designers, and educators of all kinds.

Whether you're outfitting a classroom, stocking a studio, or building your retail selection, we're here to support you with quality products and dependable service.

What's New in 2026: This year's catalog features the essentials you've relied on alongside new additions we think you'll love.

From precision drafting instruments to everyday studio supplies, every item reflects our commitment to helping your customers create with confidence.

We know you have choices in this business, and we don't take your partnership for granted.

Your feedback shapes what we do, and we're always looking for ways to serve you better.

Here's to a great year ahead.

Warm regards,

The Pacific Arc Team
