*\*The Medical/Behavioral Health slide also includes Level I GYN procedures to prevent any barriers to care and timely treatment. \*\*These are Board-approved nominal fees. The nominal fee for homeless patients will be waived. For Dental, the nominal fee **does not** include lab fees or crowns, bridges, and removable prosthetics. All lab fees are paid by the patient. For Medical, the nominal fee **does not** include clinically administered drugs. The nominal fee will only be provided to those <= 100% of FPL. Patients above 100% of poverty will pay no less than the nominal fee for the service category provided.*
