

**The Village Hall AGM is next Tuesday June 30 at 7:30pm in the village hall**  
***All villagers are welcome to come and have their say about the running of the hall***  
***– please come and join the conversation***

**The village hall belongs to the people of South Kilworth**  
**- what would you like to use it for?**

We have seen a gradual shift, especially since Covid, in that some social events organised by the committee have been poorly attended. This may be because the choices of entertainment are now so wide that there are other things to do. We may be meeting the villager's expectations, or perhaps there is not the commitment to a village social life. Whatever the reason, apart from one or two events we really struggle to sell tickets. Is there any further PR you feel we should be doing?

***ARE WE PUTTING ON THE EVENTS YOU WOULD LIKE TO SEE?***

On the other hand, though we now have over 15 regular village groups who use the hall. These groups such as bowls, table tennis, youth club, art, upholstery etc, that are well supported by villagers and are the biggest source of income for us.

***IS THIS THE WAY FORWARD?***

This is going to be the major topic of discussion at the AGM on June 30 - but if you can't attend or missed it, we'd love to hear your views.

Can you help on the Committee - we still need a Booking Clerk and a new Treasurer
