

Tree Seed Collection Event

Saturday 3 Oct 2026 (two sessions available)

As part of the Tree Council's Seed Gathering Week, we are thrilled to announce our FREE partnership **tree seed collection event**. Join us for a guest talk by the Leicestershire County Council forestry team on the **importance of native grown seed from locally sourced trees** and how we are **running our local tree nursery**. The sessions will start at **Broombriggs**, with seed collection taking place shortly after on the **Beacon Native trees trail**.

Places are FREE and light refreshments will be provided. Booking is essential.
