ABOUT OUR MISSION

Every 9 Seconds in the US a Woman is Assaulted or Beaten

WINGS is the largest provider of housing and domestic violence services in Illinois for adults and children who are fleeing domestic violence.

In 2019, WINGS provided 80,475 nights of safe shelter to 513 children and 968 adults, and 14,366 hours of children services.

The mission of WINGS Program, Inc. is to provide housing, integrated services, education and advocacy to end domestic violence.

2020 CLEAR VISION – SURVIVING AND THRIVING

Raise a glass with us (from the location of your choosing) as we commemorate Domestic Violence Awareness Month and celebrate our survivors who are now thriving.

Although we are not able to gather in person, this year's **20th Annual Virtual Purple Tie Ball** promises a unique opportunity to come together in new and creative ways. We will have great music and an online auction with several one of a kind items that we can't wait to tell you about! Our speakers and WINGS graduates will share powerful stories about surviving domestic violence and thriving! And we will continue our tradition of honoring an outstanding WINGS graduate with the David K. Hill Award. And for the first time ever we will be bringing the gala to you!

By becoming a sponsor for this extraordinary event, you will also be supporting the more than 200 adults and children that WINGS is currently serving. The COVID-19 crisis did not stop WINGS from providing support and safety for our community members who need us, in fact, our services were needed more than ever! And we certainly will be sure that this year's Purple Tie Ball – one of the most important events on WINGS calendar – is a night to remember!

We look forward to your support and to being together – *virtually*!
