

A group of four people (three men and one woman) are posing in a breakroom setting. They are all smiling and looking towards the camera. The man on the left is leaning forward with his hands out. The man in the back is standing with his arms raised. The woman in the center is leaning forward with her hands out. The woman on the right is standing with her hands out. A pink balloon is on the floor in front of them. The background is dark and out of focus.

# ALL YOU CAN DO UNDER ONE ROOF

## HERE ARE ALL OF THE ACTIVITIES AVAILABLE AT YOUR LOCAL CENTER

### BOWL ON PRO LANES!

Whatever your skill level, you're going to love bowling at Main Event. Shoot for the perfect game or choose one of our Mad Games, fun options within our state-of-the-art scoring system. Add in ambient black lighting, music videos on HD screens and a cutting-edge sound system, and bowling doesn't get any better than at Main Event!

### BILLIARDS AT ITS BEST!

From seasoned pool sharks to the casual enthusiast, billiards at Main Event is a guaranteed good time! Challenge friends and colleagues on regulation pool tables or enjoy classic shuffleboard, all located next to our full-service bar with flat-screen TVs throughout. Keep an eye on the big game while you're racking up the next round of pool!

### ARCADE ON THE NEXT LEVEL!

Whether you're always on the lookout for the latest in interactive, virtual reality games or you prefer the classic arcade games, Main Event's arcade gallery has you covered. World's biggest Pac-Man®? It's a real thing, and Main Event has it, along with The Walking Dead®, Space Invaders® and more than 100 other game options. No one does arcade play better than Main Event!

### LASER TAG – STEP INSIDE THE ACTION!

Ever wondered what it's like inside a video game? If your idea of fun is a little nonstop, pulse-pounding, adrenaline-pumping action, then tag - you're it! It's team against team as you find danger around every corner and fun every step of the way in the foggy, black-lit arena. Two teams of up to 15 engage in high-intensity skirmishes, around hurdles and obstacles, on multiple levels. Ready to enter the arena? Failure is not an option. Must be at least 48 inches tall to play.

### GRAVITY ROPES ELEVATE YOUR FUN!

We've taken the obstacle course to a higher level. Over 20 feet high, to be exact. Swaying rope bridges, suspended balance beams and a perilous tightrope are even more thrilling when you're suspended high above it all - without a net. Put on your harness, hook up your rig, and you're off to heart-racing excitement. Must be at least 48 inches tall to play.
