Welcome to the Schaumburg Business Association

2022

The Schaumburg Business Association (SBA) is dedicated to our members' growth and prosperity. We foster and facilitate business and are committed to helping our members maintain a competitive edge by providing them with outstanding community, relationships, advocacy, resources, and economic development. The Association was formed in 2001 to represent the needs of businesses within the Association. The SBA embodies the spirit of our business community that includes a dynamic blend of corporate, commercial, retail, service and industrial businesses in the largest suburban economic center in the State of Illinois.

The Vision

Our vision is that the Schaumburg Business Association aims to improve the quality of life and economic vitality of the Schaumburg area. We connect our members to each other and the community and serve as the primary advocate for businesses.

The Mission

Our mission is to create unique opportunities and foster alliances for organizations doing business in Schaumburg, thereby enhancing the business environment and the quality of life in our community.

The Values

The values that guide all we do are the SBA pillars: Relationships, Economic Development, Business Resources, Advocacy and Community.

The Schaumburg Business Association is dedicated to actively and intentionally cultivating business workplaces to value diversity, equity and inclusion. We promote inclusion in pursuit of a more equitable business community. The Schaumburg Business Association will challenge our Board of Directors, employees, members, and partners, as well as our city, county, state, and other civic leaders to enact positive change in our organization and the communities we serve. **-As adopted by the SBA Board of Directors, 2021**

Ways to Get Involved

SPONSORSHIPS & NETWORKING

In a digital, multitasking world, people crave genuine face-to-face engagement. There are plenty of statistics that demonstrate just how powerful experiential networking can be.

- 72% of people positively view brands that provide quality event experiences.
- 74% say that engagements with brands that create memorable moments make people more likely to buy their products.
- 70% of people become regular customers after an experiential marketing event.
- 79% of marketers generate sales using event marketing.
- 67% of marketers believe that events are their single most effective promotion strategy.

The numbers make it clear; being at events—even better, associating your brand with great events through sponsorship, means a lot to your audience. Event participation and sponsorship demonstrates your authority in your field of expertise, and people listen to, trust, and buy from experts.

We're not talking about shortcuts, here—companies still need to put in the time to earn expertise—but there's no faster way to gain credibility and respect than by consistently making quality connections with your prospects in the midst of relevant events. Even event sponsorship without in-person engagement allows customers to become familiar with, comfortable around, and more trusting of your brand.

Membership in the Schaumburg Business Association provides you with dozens of opportunities for experiential marketing every year. From exclusive presenting sponsor partnerships, to display table advertising, to simply attending signature and monthly events—the choices are vast. Give your company the kind of exposure it needs, and you will create the foundation for lasting relationships with business leaders throughout Northeast Illinois and beyond.

The variety of experiential marketing opportunities offered by the Schaumburg Business Association is truly unparalleled. Peruse this guide to learn more about the industry-specific programs, development seminars, women-focused luncheons, award celebrations, annual events, and community involvement initiatives we offer. No matter what your budget might be or who your target audience might include, you're sure to find the sponsorship and participation opportunities that fit your company's needs.

You'll be impressed, as well, by the multiple points of value packaged with each level of sponsorship. Offers include: prominent recognition on marketing materials, recognition from the podium, tickets to the event, recognition in the program, inclusion in this Business Resource Guide (which is mailed every year to 5,000 businesses in Schaumburg and beyond) and recognition in the calendar at SchaumburgBusiness.com.
