

## Thesis or Dissertation Acknowledgement Example

This work benefited greatly from the guidance of my supervisor, Professor Alexandra Monroe, whose expertise and thoughtful feedback strengthened every stage of this research. I am grateful to the faculty members of the committee for their time, insight, and commitment to academic rigor.

I acknowledge the financial support provided by the National Research Council, which funded essential phases of the research process. Special thanks are also due to my fellow researchers and laboratory staff for their assistance with data collection and methodological support.

Lastly, I would like to thank my parents and close friends for their patience, encouragement, and steady moral support throughout this journey. Their belief in me provided constant motivation during the completion of this work.
