WHEREAS, the City of Perryton, Texas (the "City"), pursuant to Chapter 311 of the Texas Tax Code, as amended (the "Act"), may designate a geographic area within the City as a tax increment reinvestment zone if the area satisfies the requirements of the Act; and

WHEREAS, the City Council of the City (the "City Council") desires for the City to consider the creation of a tax increment reinvestment zone in the City consisting of approximately 16.5 acres depicted on **Exhibit A** and identified by metes and bounds description within **Exhibit B** attached hereto (the "Property"); and

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF PERRYTON, TEXAS:

SECTION 1. FINDINGS.

(a) The recitals, findings, and determinations contained in the preamble to this Ordinance are incorporated into the body of this Ordinance as if fully set forth in this Section and are hereby found and declared to be true and correct legislative findings and are adopted as part of this Ordinance for all purposes.

(b) The City Council finds that the project plan improvements will significantly enhance the value of all the taxable real property in the zone and will be of general benefit to the City.

(c) The City Council finds that the proposed zone meets the requirements of Section 311.005(a) of the Act in that:

(i) there is a need for essential public infrastructure and economic development programs to attract new business and commercial activity to the proposed zone for the purposes of increasing the real property tax base for all taxing units within the zone, increasing sales and use taxes for the City and the State of Texas, and increasing job opportunities for residents of the City and the region; and

(ii) the proposed zone, as shown within **Exhibit A**, meets the criteria for the creation of a reinvestment zone set forth in Section 311.005 of the Act in that the area is predominantly open or undeveloped and, because of obsolete platting, deterioration of structures or site improvements, or other factors, substantially impairs and arrests the sound growth of the municipality; and

(iii) these factors substantially impair and arrest the sound growth of the City.

(d) The City Council finds that the proposed zone is a geographic area 100% within the City's corporate limits.

(e) The City Council finds that not more than thirty percent (30%) of the property in the proposed zone, excluding property that is publicly owned, is used for residential purposes, and the total appraised value of taxable real property in the proposed zone and in existing reinvestment zones does not exceed fifty percent (50%) of the total appraised value of taxable real property in the City and in the industrial districts created by the City.

(f) The City Council finds that the development or redevelopment of the property in the proposed zone will not occur solely through private investment in the reasonably foreseeable future.

(g) The City Council finds that the Preliminary Project and Finance Plan is feasible.

(h) The City Council finds that the implementation of the Project and Finance Plan (as defined below) will alleviate the conditions described in Section 1(c) above and will serve a public purpose.

SECTION 2. DESIGNATION AND NAME OF THE ZONE.

Pursuant to the authority of, and in accordance with the requirements of the Act, the City Council hereby designates the Property as a tax increment reinvestment zone. The name assigned to the zone for identification is Reinvestment Zone #1, City of Perryton, Texas (the "Zone"). The Zone is designated pursuant to Section 311.005(a)(2) of the Act.

3.5. Pursuant to Section 311.010(h) of the Act and Article III, Section 52-a of the Texas Constitution, the City Council hereby authorizes the Board, as necessary or convenient to implement the Project and Finance Plan and achieve its purposes, to establish and provide for the administration of one or more programs for the public purposes of developing and diversifying the economy of the Zone, eliminating unemployment and underemployment in the Zone, and developing or expanding transportation, business, and commercial activity in the Zone, including programs to make grants of land and buildings and make grants from the TIRZ #1 Fund for activities that benefit the Zone and stimulate business and commercial activity in the Zone.

SECTION 7. TAX INCREMENT FUND.

The City TIRZ increment shall be deposited into the TIRZ #1 Fund as of the effective date of the Zone. The TIRZ #1 Fund and all subaccounts shall be maintained at the depository bank of the City and shall be secured in the manner prescribed by law for funds of Texas cities. Prior to termination of the Zone, funds shall be disbursed from the TIRZ #1 Fund only to pay for project costs in the zone.

The TIRZ #1 Fund shall consist of one hundred percent (100%) of the City's tax increment as defined by section 311.012(a) of the Texas Tax Code (City TIRZ Increment), subject to any binding agreement executed at any time by the City that pledges a portion of such tax increment or an amount of other legally available funds whose calculation is based on receipt of any portion of such tax increment.

SECTION 8. SEVERABILITY.

If any provision, section, subsection, sentence, clause or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be invalid, the validity of the remaining provisions of this Ordinance or their application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no provision of this Ordinance shall become inoperative because of the invalidity of another provision; and, therefore, all provisions of this Ordinance are declared severable for that purpose.
