Welcome to the fifth part of the *Fully Devoted* Bible Plan Series. If you haven't read the first four parts of this Plan, use this link to start there: www.go2.ic/fullydevoted

For today, take some time to watch the video above to prepare for what's to come. In addition, invite some people to go on this journey with you.

Every day of this Plan will consist of devotional content, journaling questions, and Bible readings. You'll also have a new memory verse each week. Make sure you're reading it every day to help you memorize it.

And if you are going through this Plan with others, we challenge you to make time each week to get together and talk about what you're learning. Don't go on this journey of becoming a fully devoted follower of Christ alone.
