WEEK 3

God Can Always Be Trusted!

David Trusted God (1 Samuel 17)

WEEK 4

God Is Always With Me!

Armor of God (Ephesians 6:10-20)

NOW LET'S LIVE IT!

This month in FC Kids we learned that God takes care of me! We discovered that no matter what we face, God is always good and lovingly provides what we need. He listens to us, helps us, strengthens us, and walks with us through every situation. Because God takes care of us, we can live with peace, make wise choices, and show kindness to others—trusting that our good God is watching over us every day!

GOD IS ALWAYS GOOD!

We saw how Jesus cared for people who were hurting and gave them what they needed most. God is good all the time, and He shows His goodness by helping us, loving us, and taking care of us every day. Because God is always good, we can trust Him with our worries, show thankfulness, and look for ways He is working in our lives! Take time today, to write down a couple ways God has shown you He is always good!

GOD IS ALWAYS POWERFUL!

We saw God's amazing power at work through Peter. Even in moments that seemed sad or impossible, God showed that nothing is too hard for Him. God's power brings life, hope, and miracles. Because God is always powerful, we can pray big prayers, believe that He can do anything, and trust Him with every part of our lives! Today, write down a big prayer, it could be for your friend or family member.

GOD CAN ALWAYS BE TRUSTED!

David faced a giant, but he wasn't afraid because he knew God was with him. David trusted that God would help him—and He did! God keeps His promises and never lets us down. Because God can always be trusted, we can be brave, make good choices, and rely on Him no matter how big our challenges feel!

GOD IS ALWAYS WITH ME!

We discovered that God gives us everything we need to stand strong—His truth, His peace, His protection, and His Word. He is with us in every moment, giving us strength and courage. Because God is always with us, we can have confidence and remember that we never face anything alone!
