

Modern workspace collaboration

neat.

Our partnership

Urban and **Neat's** partnership helps to deliver cutting-edge AV solutions for modern workspaces. The **Single**, **Dual**, **U-Cart** and **Stand** all seamlessly integrate **Neat** technology to enhance collaboration and simplify AV deployment.

Single 55" featuring Neat Bar Gen 2

Dual 65" featuring Neat Bar pro

U-Cart featuring Neat Bar

Stand featuring Neat Pad

Single: stylish and exceptional

The Urban **Single** solution offers a modern, flexible design with high-quality materials, built-in storage, and seamless cable management, making it perfect for any workspace.

- **Rapid install:** Upgrade your space swiftly, ready to install in less than a few hours.
- **Looking for size options? We've got lots:** Available in display sizes ranging from 55" to 75", making it adaptable to any workspace.
- **A great companion:** Thinking bigger? The Single is the ideal companion to our Dual and Triple solutions if you're redesigning larger spaces.
- **No walls? No problem:** Our freestanding design offers flexibility, letting you position your solution anywhere without wall mounting, ideal for dynamic and adaptable spaces.
- **Universal camera mount:** Compatible with Neat hardware. Cameras can be positioned above or below the screen.
- **Stylish and practical:** Single frames offer a sleek, durable design that enhances workspaces with style and performance.

Dual: bringing collaboration to any space

The Urben **Dual**, paired with the Neat Bar Pro, delivers a seamless and powerful AV solution designed to enhance communication and productivity in any modern workspace.

- **Quick setup:** Transform your space in hours not days with the easy-to-install Dual.
- **Streamlined design:** Built-in storage and hidden cable management keep your space tidy and organised. No more wrestling with cables.
- **Need flexibility?** Our freestanding design offers great versatility, with no mounting or structural support required.
- **Neat hardware:** Compatible with Neat hardware. Cameras can be positioned above or below the screen.
- **Double the power, double the content:** Dual screen options available for enhanced productivity, 55 - 98".

U-Cart: driving innovation together

Part of our self-assembly range, the **U-Cart** is packed with cool design features and seamless tech - perfect for modern workspaces. Here's why the **U-Cart** is quickly becoming the go-to for modern workspaces:

- **Self-assembly:** The flat-pack design includes all you need, future-proofing your AV and enhancing meetings.
- **Rapid install:** Ready to install in less than 30 minutes.
- **Size options? You got it:** Display sizes from 43" - 65" giving you choice depending on the space you are in.
- **Clutter-free:** Built-in storage and hidden cable management keep things clean. No more wrestling with cables.
- **Move it or leave it:** Need to roll it around or keep it freestanding? The U-Cart handles both with ease.
- **Neat hardware:** Compatible with Neat hardware. Cameras can be positioned above or below the screen.
- **Sleek, functional design:** The U-Cart combines practicality and refined design to elevate any workspace.

U-Cart: with Neatboard & Neatboard 50

Designed for touch-driven collaboration, the **U-Cart** seamlessly integrates touchscreen technology into a sleek, self-assembly solution.

- **Self-assembly:** A flat-pack solution with everything you need to future-proof your AV and enhance meetings.
- **Quick setup:** Fully installed and ready to use in under 30 minutes.
- **Multiple size options:** Choose between 50" and 65" displays to fit your space and needs perfectly.
- **Seamless touchscreen:** Designed to work effortlessly with touchscreen technology for smooth, interactive experiences.
- **Flexible setup:** Roll it where you need it or keep it stationary, the U-Cart adapts effortlessly.
- **Perfect for collaboration:** Enhances meetings and teamwork with intuitive touch functionality
- **Smart & modern design:** Built with sleek aesthetics and practical features to complement modern workspaces.

Stand: elegance meets functionality

The **Urban Stand** is an interactive touchscreen support for meeting rooms, lobbies & receptions designed to house your AV equipment in a subtle and stylish way.

1. Adjustable mount for versatile controller angles
2. Internal cable routing for effective cable management
3. Optional power pack holder

4. Height adjustable mounting system
5. Sleek design to fit in any environment
6. Quick assembly using minimal tools
