Stunning 2-story home in the guard-gated Eagle Rock community offering 3,556 sq ft of refined living.

Soaring two-story ceilings in the formal living room flow to an open family room with gas fireplace and custom built-in entertainment center.

The gourmet kitchen features granite countertops, white cabinetry, gas cooktop, Sub-Zero refrigerator, center island, breakfast bar, and pendant lighting. Plantation shutters, crown molding, and recessed lighting throughout.

The lavish primary suite offers a fireplace, tray ceiling, spacious walk-in closet, and spa-like bath. A versatile upstairs office/den/bedroom with custom built-ins can convert to 2 additional bedrooms – up to 5 total. Step outside to a resort-style backyard with a sparkling 512 sq ft pool, Kool Deck, paver patio, and alfresco lounge – ideal for year-round entertaining.
