ARMOUR OF GOD??

God needs men and women who will "stand in the evil day." Will you be one of them? Will you become one of God's warriors in this crisis hour? Sometimes Christians appear a little shaky. Some lash out at critics. In some cases, because of fears that a "culture war" might cause trouble for the church, some Christians urge people to engage in hardball politics to try to get their way.

Make no mistake: Paul tells the Philippians to stand firm and not to compromise the gospel. We have enemies to face. But we have to face them in a way that is consistent with the gospel and with Jesus, who willingly suffered rather than lash out in anger. "Don't be scared of those who oppose you," Paul says, in effect; "fear is for uncertain people. But if we are certain that we have already won the victory in Jesus, then we have nothing to fear, and our confidence proves to our enemies that they have already lost!"

These verses from Philippians deliver a daunting challenge. For Paul's first readers, this was not easy to do in the Roman Empire, where hostility toward the church became state policy. Nobody would want to suffer. Yet Paul says that suffering was "granted" to the Philippians, as though it was a gift. That's the way Paul saw it. To suffer for Jesus and like Jesus— well, that's a gift. And it helps the world see Jesus more clearly than if we try to inflict suffering on others because of our fears.

Firearm Safety and Use
Thanks to Rob Gerner for teaching our women about gun safety and use. If you are interested in owning a firearm and having training in its safe and proper use, call Rob, 760 447-6516. He would be happy to advise you.

Transitional Housing
God is blessing the Transitional Housing program. WCAH has made an offer on a piece of property off of 27th Place, across from Hatch Motors. The owner countered, and it was beyond our means. However, in the interim funding has miraculously accumulated to where WCAH can make a fair and reasonable offer. PTL! You may want to help with this effort. Please contact Lee Copeland or Roger Brown.

COVID 19 Infection
We are sorry to report that the Moores and the Monks have tested positive for the virus. If you've had contact with them, you may want to get tested. Likewise, we're recommending that any in our congregation, who feel the need, to be tested (testing at CVS). If you choose not to attend, you can still view our services on our YouTube channel at bit.ly/newhopecf (enter in address line), or our website at nhcfservices.com.

LIFE DIDN'T STAY THE SAME FOR THEM EITHER

Be praying for our nation that we will return to God and His moral teachings, and that we'll not be deceived by the evil forces seeking to overcome us.

THAT'S OUR GIRL!!!
