LADIES GOLF

Vice President Report Helen M

Unfortunately, Monday 28th April was a no golf day due to the wet weather. It was pleasing to see 25 ladies at the RSL for lunch and there were lots of talking and laughter. The book sale is always popular thank you for bringing your books.

The Mother's Day Raffle was a great success. Well done ladies. Thank you to Wendy N, Ellie and Leonie for organising the Mother's Day hamper. The raffle was won by Helen Muscat. Woo hoo...

CAPTAIN SUELLEN REPORT

After beautiful weather throughout Easter our final game for April, was disappointingly rained out! Next Monday 5th May, we will be playing the first round of our annual **championships**, and we hope that there will be great support by players from A, B and C Grades.

The championships are held over the first 3 weeks in May. If for some reason a player does not wish to be a part of the championships, they are still encouraged to play the rounds of golf in May at Warringah GC and will be eligible for the weekly competition. All players who have a handicap, after submitting 3 cards, are eligible to play in the championships, as well as having played another 6 games (total 9) of golf in our competitions.

Regards - Suellen- Golf Captain

VETERANS GOLF

After a 2-week hiatus, it will be good to be back on the course this Friday, albeit it may be a little damp underfoot after this week's rain. Let's hope that everyone has had time to analyse their game during the break, and to visualise the shots they'll be making - and putts they'll be sinking - this week, as we return to Stroke golf for our Monthly Medal and Putting Competition. If your handicap has moved up or down to 31 after your most

recent game, please note that as a result of adjusting the handicap range to bring the numbers in B-Grade in line with those in our other grades, you will be in B-Grade this week. So please check your scorecards carefully before your game, and note which grade you're in, before claiming Longest Drives or Nearest The Pins for your relevant grade.

As usual, after this week's game, all of our Vets Golf playing, non-playing and former members are invited to stay and have a chat with your friends over our monthly barbecue (the steaks and snags are always seriously good!). Which leads directly to mentioning our Brunch at Belrose Hotel on Sunday 25th May, commencing at 10.00am. If you haven't already put the date in your diary, please do so, at it's always a great time to catch up with current and former members of our RSL Section.

A reminder that, if you haven't already put your name down for our away game at Asquith Golf Club on Monday 12th May, and you intend to play, please let Captain Matt or Vice-Captain Brian know this week, as acceptors to date are lower than we'd like, and final numbers need to be confirmed by next Monday (5th May). As Asquith is a reasonably long, Par 70 course – it's just over 5200 metres playing from the white tees - and has a few hills, it's recommended that all players use carts, if only to speed up play.

And if you're tracking this year's Majors, the US PGA Championship is next on the agenda, to be played at Quail Hollow Golf & Country Club in Charlotte, North Carolina between 15th and 18th May. It was last held at that course in 2017. The US PGA Championship is the only Major that doesn't explicitly invite leading amateurs to compete. Why is it so, you might ask? Duh!! The answer lies in the name. To receive an invite, a player needs to be a member of a **Professional** Golfers' Association (PGA).

Remember to drive carefully, **but putt boldly**
