Alex is looking for a Big Brother.

Alex is struggling to feel supported and
connected with his community. He
needs a mentor that will help, and has
been waiting for one for nearly 2 years..

His dad was in jail during his early years,
and his mom works long hours just to
make ends meet. School has been
tough — bullying, loneliness, and the
feeling that everyone eventually leaves.

A strong male mentor would change
Alex's life.
