Thank You, Lindsay!

We want to extend a heartfelt thank you to the Lindsay community for the incredible support shown during our grand opening in early February. The warm welcome we've received has meant a great deal to our team, and it's been amazing to meet so many new faces.

We're also proud to share that our community fundraising campaign in support of the Kawartha Lakes Humane Society has been a great success. With the campaign wrapping up at the end of March, we're excited to present our donation and give back to an organization that does so much for local animals and families.

At Sparq Retail, being part of the community goes beyond our storefront. We're committed to supporting local initiatives, building meaningful connections, and contributing in ways that make a positive impact.

We look forward to continuing to grow within the Kawartha Lakes community and can't wait to welcome even more new faces in the months ahead.

PERCH & PAINT

“Small houses, big imagination”

Perch & Paint invites artists and bird enthusiasts alike to come together in a joyful celebration of creativity and community. This project transforms traditional wooden birdhouses into vibrant works of art, each one hand painted and thoughtfully designed to brighten outdoor spaces while offering a perch for our feathered neighbours.

Decorated with bold patterns, whimsical illustrations, or nature-inspired motifs, every birdhouse becomes a unique expression of imagination and care.

Participating artists customize their birdhouses using weather-resistant materials, ensuring each piece is ready to be enjoyed outdoors. After completion, the finished birdhouses will be made available to the public for purchase through a fundraising auction held by the Lindsay Optimist Club.

Perch & Paint will not only raise essential funds for future cultural programming, but it will strengthen the connections between artists, nature, and community.

If you are interested in painting a birdhouse, visit Kawartha Art Gallery, Tuesday to Saturday from 10am to 4pm.
