EMPLOYEE BENEFITS

Employee Benefits Built Around Your Business

Great benefits don't build themselves. Our specialists learn your business inside and out, design a plan that works for your workforce, and show up every step of the way — from first quote to every renewal after.

Benefits Strategy & Design

Employee benefits solutions thoughtfully designed by a collaborative team to give you a recruiting edge.

Captive Medical Insurance

A group funding model that puts employers in control of their health insurance costs.

Data & Claims Analytics

Using industry-leading reporting tools to help you make well-informed decisions customized to your company and the needs of your employees.

HR Resources

A dedicated account team keeps you up-to-date on employee benefits compliance and provides tools to simplify plan management.

Life

Our experts help you navigate the complexities of life insurance to protect the people who matter most.

Medicare

Our Medicare experts help you navigate the complex world of health insurance for people over the age of 65.
