

# Wood finishes

Our furniture is finished with a wood stain, the options for which are shown right and on relevant product specification pages, before a coat of lacquer is applied to protect the furniture. Please note that our Clear Matt (CM) finish seals and protects the furniture. As a result, it does not blend or conceal any of the natural variations within the timber. It will show the wood colour and grain off to its full, natural beauty.

Timbers can also vary from range to range. To see a sample colour and finish of the wood, order a sample on our website.

# Fabric ranges

We have a wide range of fabrics and leathers for selected ranges. Fabrics have been carefully chosen to suit the furniture designs and the names of the fabric collections are shown on the specification pages – ercol, Casa, Edit, Natura, Paloma, Universal and Dining. To view these fabrics or leathers on the furniture visit the product pages on [ercol.com](http://ercol.com).

Sofas are measured to maximum dimensions, but due to the manufacturing process, these can vary slightly. Scatter cushions supplied are as per images shown on pages 104-117.

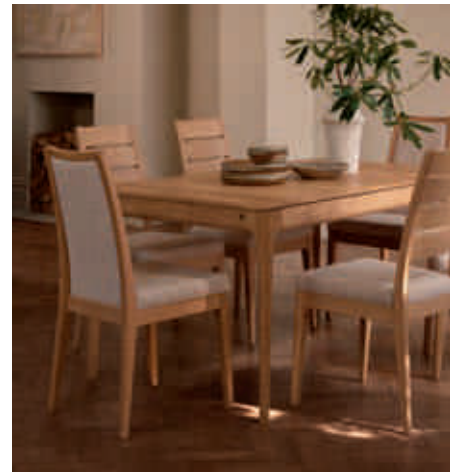

We offer a re-cover service on some show wood frame ranges. You can order genuine ercol replacement cushions to extend the life of your furniture. The ranges available for this service are listed in our ReCover guide or at [ercol.com/recover](http://ercol.com/recover)

# Romana

Romana's style is modern with subtle detailing and soft shapes that makes the range understated. Recalling our designers of the mid 20th century, it's crafted in light oak, with sculpted curves, chamfered edges, flush surfaces and soft-close drawers and doors. Finished in a clear matt lacquer allowing the beauty of the natural timber to show through.

**Solid oak. Available in the ercol Dining Collection of fabrics and leathers.**
