

KARIMOKU CASE

A-DC04

The rounded armchair encourages users to communicate in a laid-back comfort while dining. Upholstered with soft cushion textiles, both the back and seat provide seating comfort and a moment of relaxation. While offering cushioned comfort, the thin lines of solid wood never leave a heavy impression, creating a light atmosphere around the dining table set.

DESIGN: Keiji Ashizawa
CASE : Azabu Hills Residence

NO. C32000****

N-CT04

With its organic curves and solid foundation the 'N-CT04 | Coffee Table' adds to the collection as a timeless piece, resonating with any interior setting. The soft, gentle lines of the base and table top beautifully reflect the light, assuming sculptural qualities.
